

CITY OF BASTROP

RESOLUTION NO. R-2023 - 182

ROCK & CONCRETE CRUSHING PLANT

TCEQ Air Quality Registration Number 173335

A RESOLUTION OF THE CITY OF BASTROP, TEXAS, CALLING FOR REVIEW OF A PROPOSED ROCK AND CONCRETE CRUSHING PLANT TO BE OPERATED BY TRAVIS MATERIALS GROUP, LTD, LOCATED IN THE CITY'S EXTRATERRITORIAL JURISDICTION, AND REQUESTING ADDITIONAL INFORMATION AND AUTHORIZING THE MAYOR TO SUBMIT COMMENTS TO STATE OFFICIALS ON BEHALF OF THE CITY COUNCIL

- WHEREAS,** the City Council of the City of Bastrop ("City Council") finds it to be in the public interest and necessary to monitor certain developments when the risks of such developments do not favor the public safety, health, and general welfare of the City of Bastrop (the "City"); and
- WHEREAS,** Travis Materials Group, Ltd. (the Operator), has proposed and is pursuing a permanent rock and concrete crushing plant operation located in the City's Extraterritorial Jurisdiction (ETJ), Area A, in Bastrop County, Texas, near the intersection of FM 969 and Wilbarger Bend Road (the Proposed Facility); and
- WHEREAS;** the Operator filed documentation on July 12, 2023, seeking a permit from the Texas Commission on Environmental Quality ("TCEQ"), Air Quality Registration Number 173335, for which technical review was completed on October 4, 2023; and
- WHEREAS,** it is anticipated that the TCEQ conduct a public meeting on the proposed permit at which point public comment will be received and considered; and
- WHEREAS,** this issue has been brought before the City of Bastrop by citizens concerned about the health and safety of the Proposed Facility; and
- WHEREAS,** the City Council seeks to have a better understanding of the potential health and safety risks associated with the Proposed Facility, including air emissions and stormwater management (and the possible discharge of pollutants), all of which implicate the federal Clean Air Act and the Clean Water Act, as administered by the State of Texas; and
- WHEREAS,** in addition to environmental risks, the Proposed Facility may increase the volume and size of commercial vehicular traffic to the area; and

WHEREAS, the City Council seeks a reasonable analysis of the Proposed Facility site addressing the anticipated the environmental risks and traffic impacts, and whether the geographic location is compatible with the proposed facility; and

WHEREAS, the City Council finds it to be in the public interest to gather additional data, articulate the City's concerns, and ask state officials to carefully scrutinize the Proposed Facility.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Bastrop:

Section 1: The City Council hereby requests that the City Manager gather additional information and evaluate the potential impact of the Proposed Facility.

Section 2: The City Council hereby requests that the City Attorney work with the City Manager to draft possible comments to appropriate state agencies, offices, and representatives conveying the City Council's concerns.

Section 3: The City Council hereby authorizes the Mayor to submit comments to state officials on behalf of the City Council consistent with this Resolution.

Section 4: The meeting at which this Resolution was passed was open to the public, and that public notice of the time, place, and purpose of said meeting was given as required by the Texas Open Meetings Act.

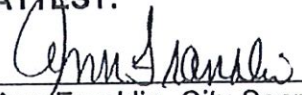

DULY RESOLVED & ADOPTED by the City Council of the City of Bastrop, Texas,
on this, the 12th day of December 2023.
