Bastrop Public Library Board Meeting Minutes

June 7, 2021

Call to Order:

The meeting was called to order at 6:00 p.m.

Members present were President Mary Jo Jenkins, Jaime McDonald, Lesa Neese, Rebecca Bennett, Barbara Clemons, Sally Keinarth, Jennifer Leisure, Director Bonnie Pierson, and Mayor Connie Schroeder.

Citizen Comments:

There were none.

Announcements:

Ashley Guerrero's baby is due tomorrow and she will be taking maternity leave soon. Bonnie Pierson was featured on the city's podcast "Overheard at City Hall" today. The service for Cookie Atkins's husband, Randy, will be June 11 at 6:00 p.m. at Marrs Jones Funeral Home. The first Summer in the City did not happen on June 5.

Staff Report:

Activities -

Sixty-seven new library cards were issued in April. The staff spent May preparing for Summer Reading. Bethany Dietrich and Carmen Serna were named BISD Partners of the Year. They have been working with the ACE program all year. Bonnie Pierson spoke at the Rotary Club about the services the library provides that most people don't know about. Summer Reading launched last week with 417 registrations, which is more than in 2019. Opening week activities were well attended. Coffee with Catherine resumes on Wednesdays at 3:00 p.m.

Friends of the Library -

The Friends will hold a book sale in September in conjunction with the Garden Club. They will hold their annual meeting the Thursday before the annual meeting.

Statistical Report -

In April, the Library circulated over 7,000 items. The Library website was Googled over 10,000 times in one month.

Financial Report -

Revenue from non-resident fees since October totals \$18,000.

Consent Agenda:

Lesa Neese moved and Jennifer Leisure seconded to approve the May 3, 2021 minutes as written. The motion carried.

Items for Individual Consideration and Discussion:

Update of Grant Status -

The Mobile Checkout is now working. The Library received permission to revise the Hanscher Grant. The mobile hotspots have been ordered. The Library also received permission to extend wifi to the parking lot, which should be running in July. Both grant reports are due in October.

Discussion and Approval of Hotspot Lending Documents -

The Board discussed the documents, correcting a typo on the Lending Agreement. The fourth bullet in the first section should read "The Borrower's Borrowing Agreement must be signed each time a hotspot is checked out." Sally Keinarth suggested a change to the fifth bullet in the second section of the same document to read "Only the borrower and persons in the borrower's household are authorized to use the hotspot." Becky Bennett noted that on the Hotspot Borrowing Agreement, the last two bullets are in first person while all the previous bullets are in third person and suggested that the last two bullets be changed. Bonnie Pierson agreed to all of these corrections and changes. Sally Keinarth moved that the Board approve the documents with the noted corrections and changes. Barbara Clemons second the motion, and it carried.

Updates:

Individual requests for Library Board members for items to be listed on future agendas –

There were none.

The meeting adjourned at 6:25 p.m.

Program Summary:

- People were grateful the library had programming this summer. Wednesday storytime was packed every week with an average of 65 people attending. Fridays in the park were not as successful.
- Teen programs did very well with a Fisherman's Park Scavenger Hunt and a Pirate Battle with cardboard "ships" having the highest attendance.
- Coffee with Catherine really took off under the care of Catherine Lombardo. Her ability to bring people together in a caring way saw attendance grow every week.
 The group is looking for ways to expand and bring more adult programming to the library.

- Interactive library activities and take-home craft packets did very well this summer.
 The Opening Day Library Scavenger Hunt, Fishing for Time, the Mixed Media Ocean Mural, various "Would You Rather..." questions and the End of Summer Whale of a Scavenger Hunt were very popular.
- Partnership programs this summer were participation in the Summer in the City Celebration, Storytime with a Cop with the Bastrop Police Department and two book and activity programs for the summer camp students from Little Sheep Learning Center.

3. Noteworthy Items

Personnel:

- Ashley Guerrero is out on maternity leave and is scheduled to return to work in September. Ashley and family are doing very well. She has graciously been assisting via phone and email when questions arise.
- Temporary employee Greg Wredberg has completed his 90 days but continues to volunteer when he can. He is a great employee.
- The executive administrative assistant position has been posted. We have received over 20 applications. Interviews will take place in August.
- The position held by Cary Kittrell will be filled in the new fiscal year.

Kudos to all the library staff. Everyone has gone above and beyond to ensure our customer service has not suffered this summer. Each person has taken on additional duties as our staff has experienced joy, sadness, sickness, and mental fatigue. The library is fortunate to have such dedicated and caring individuals working together as a team.

The library now has an electronic patron counter mounted above the door. The data is automatically recorded and can be formatted in a variety of ways. July will be the first fully month of data.

Bonnie Pierson met with Bruce Siebert from the Texas Master Naturalists. The group will be installing a pollinator garden at the rear of the library by the Children's Area windows. The garden will go in sometime this fall.

All staff received Active Incident training from Police Chief Clint Nagy. The training was provided for all city employees.

The library is again experiencing air conditioning issues. The unit for the circulation area continually freezes up, the unit for the Adult Nonfiction Area is inoperable, and the unit for the Children's Area has a broken fan blade and a puncture in the coils. The new units and parts have been ordered.

5. Looking Ahead

The library will be closed Monday, September 6 for Labor Day.

The new fiscal year begins October 1, 2021.

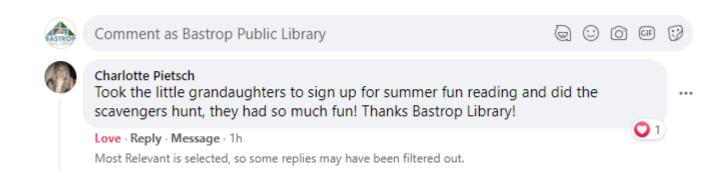

The Boards & Commissions Banquet will be Thursday, October 21, 2021.

6. Patron Feedback

"It is great to give us, the opportunity to meet, talk and socialize. I am a widow and needed to spend time with other educated ladies in a wonderful environment. I hope you can start more programs for the community to meet and learn. Maria Barbato

I wanted to reach out and tell you how much I appreciate how much the Bastrop Public Library goes above and beyond for our community. My 10 year old is an AVID reader....she powers through chapter books and then looks to me for what to read next. I reached out to Bethany for suggestions and was so thankful for her help! I provided her with a list of titles that Olivia really enjoys, and she came back with a wonderful list of suggested books. So far she has been spot on with her recommendations. I appreciate her taking the time to get back to me...I can tell she really cares about us! Thanks for all you do, April

A patron stopped by the desk and said, "We weren't able to tell Carmen in person and wanted her to know how much we enjoyed Story Time this morning and what a great job she did."

Bastrop Public Library Report on Current Grants August 2, 2021

1. Texas State Archive and Commission CARES grant

This grant was to provide contactless and touchless self-checkout options for patrons.

Self-Check:

- The self-check stations are being used by our patrons. They were used 476 times in May and 1,204 times in June.
- A survey was sent out via email, at the end of June to assess the success of this implementation.
- A total of 267 survey responses were received. Most respondents had heard of self-check and found it easy to use. Those who had not tried self-check, were interested in learning to use it. Overall, self-check is considered to be an improvement to the library and over half of the respondents stated they are likely to use it again.
- We received positive and negative comments during the survey.
 - I'd rather deal with a real person. Claudia Barker
 - I used to live in Georgetown and they had those. I like them, quick and easy. – Katy Clarke
 - I will wait in (an) indefinite line or leave the store if self-check is the only option. – Erin O'Brien
 - It doesn't matter much to me either way. My kids like to do self checkout so they can scan their books though. – Leasel Highsmith

Mobile Circulation via the Cloud Library app.

- The mobile circulation app was fully functional at the end of May. From the reports supplied by the company there has been limited use of the app. There were 36 transactions in June and 26 in July as of the 27th. Prior to this the app was not functioning and all transactions can be attributed to staff testing the function.
- While we were experiencing technical difficulties, the staff kept a list of patrons asking about the app. All patrons interested have been contacted.
- There has been information about the service in the monthly newsletter, on Facebook, Instagram and the website, and available in the library. An email survey about the mobile circulation service was sent out Friday, July 16. Paper copies were available in the library. The survey closes, Thursday, July 27.

2. Ladd and Katherine Hancher Library Foundation grant

The intent of this grant was to provide access to the internet during the COVID-19 pandemic. The original proposal was for ten laptops to use in the building and ten hotspots to circulate. After the library reopened to the public, the original proposal was

modified and approved to provide Wi-Fi in the library parking lot and purchase ten hotspots for circulation.

Parking lot Wi-Fi:

- Equipment was purchased and installed in July.
- Information about this service was announced in the monthly newsletter, on Facebook, Instagram and the website, and signs are posted in the library.
- There is a slight increase in the internet cost for this service.
- It will not affect our E-Rate rebate from the Federal Communication Commission.

Hotspots:

- Devices, cases, and extra cords have been purchased. The devices are formatted, cataloged, and have barcodes attached. They are ready to be circulated.
- The fee schedule has been established, lending agreements have been created and circulation procedures are being finalized.
- The hotspots will start circulating on Tuesday, August 10, 2021.
- Publicity about this service has been in the monthly newsletter and will be supplemented by social media posts.
