**AGREEMENT FOR AUTOMATIC AID ASSISTANCE BETWEEN
BASTROP COUNTY EMERGENCY SERVICE DISTRICT NUMBER 2
AND THE CITY OF BASTROP**

RECITALS

The City of Bastrop ("City") and Bastrop County Emergency Services District Number 2 ("District") currently provide fire protection and other types of emergency response services to local residents in their respective jurisdictions or service areas.

The City and the District desire to augment both resources and capabilities within the geographic boundaries of their respective service areas by responding to and dispatching responses to emergency calls on an automatic assistance basis so that the nearest available unit responds to incidents covered by this Agreement, regardless of the jurisdiction.

The City wishes to receive and provide assistance in areas shown in **Exhibit "A"** on an automatic assistance basis.

The District wishes to receive and provide assistance in areas shown in **Exhibit "B"** on an automatic assistance basis.

The City and the District are entering into this Agreement in accordance with the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code

TERMS

1. The term of this Agreement shall be for one-year, effective September 1, 2018, and shall automatically renew annually for up to four additional one-year terms unless terminated pursuant to Section 13.

2. The parties agree to automatically dispatch the nearest available unit(s) to the scene of an emergency within the automatic aid agreement service area. The service area is defined as shown on the maps attached as **Exhibits "A" and "B"**. The "nearest available unit" shall mean that unit of either party that meets the requirements for that type of emergency and, in the sole discretion of either Fire Chief, is capable and available to respond quickest to a call. A party shall respond only to the extent that a unit is readily available.

3. Subject to the provisions noted above in paragraph 2 the District and the City shall each provide firefighting services 24 hours a day, 7 days a week, and shall respond to all call types within the service area shown in **Exhibits "A" and "B"**.

4. The parties agree to follow the National Incident Management System (NIMS) as promulgated by the U.S. Department of Homeland Security to provide for the efficient management of emergencies and for the safety of firefighters through the use of standard terminology, reporting relationships, and support structures for those emergencies requiring the use of units from the Parties.

5. Each party shall maintain adequate insurance for all equipment and property necessary for the performance of this Agreement.

6. Each party shall be solely responsible for its equipment or property, including maintenance, loss, or damage thereto in the performance of this Agreement, except, however, the party that would have been responsible for furnishing the services in the absence of the contract is only responsible for paying the deductible on an insurance claim of the party providing aid for damage to equipment or property, if any. The actual responding party is responsible for all other maintenance, loss, or damage to equipment or property costs other than the insurance deductible. To the extent that the responsibility of maintenance, loss, or damage to equipment or property is considered "civil liability" under Texas Government Code Section 791.006, the parties specifically reference Section 791.006 (a-1) and state that the assignment of liability for maintenance, loss, or damage to equipment is intended to be different than liability otherwise assigned under Section 791.006(a).

7. It is expressly understood and agreed that this Agreement does not waive any immunity or defense that would otherwise be available to a party against third-party claims arising from activities performed under this Agreement.

8. The parties agree to comply with all applicable state, federal and local laws or requirements applicable to the performance of services under this Agreement. The parties agree to cooperate in executing such further or subsidiary agreements as may be required.

9. No term or provision of this Agreement is intended to, or shall, create any rights in any person, firm, corporation or other entity not a party hereto, and no such person or entity shall have any cause of action hereunder.

10. Unless specifically agreed to by both parties for particular incidents, and except as provided in Section 6, neither party shall be reimbursed by the other party for any costs incurred pursuant to this Agreement or have any other financial obligation to the other party. The parties agree to cooperate with each other in seeking reimbursement from private, state or federal authorities to the extent such opportunities present themselves.

11. **Exhibits "A" and "B"** are incorporated into this Agreement for all purposes.

12. The parties agree to cooperate in an annual evaluation of the Agreement in order to ensure that the terms continue to meet each party's needs and expectations.

13. This Agreement may be terminated by either party, with or without cause, upon 30 days notice in writing.

14. Notice shall be provided to the parties at the following addresses:

16. If any provision of this Agreement is held invalid by a court of competent jurisdiction, that holding (a) shall not invalidate the remainder of this Agreement, (b) shall be limited to the specific parts of this Agreement described in that holding, and (c) shall not affect the validity of this Agreement in any way or in any other instance.
