How will you measure the impact of your event on area hotel activity?

Tough Mudder will use all available resources to detail the impact of Tough Mudder Central Texas 2017 on local hotel and economic activity. As the data we have collected to date from Tough Mudder Central Texas shows overnight participant hotel stays in Bastrop have steadily grown year over year (61.6% in 2015 to 70.8% in 2016), we understand the importance of tracking the economic impact of this event on the local community - especially on travel and accommodations behavior of participants. In order to measure the impact of this event, Tough Mudder will take the following measures:

1. Tough Mudder will collect detailed pick-up reports from all contracted hotel properties in Bastrop post-event (and conduct participant audits where possible). Tough Mudder is looking to begin contracting with Bastrop hotel properties as soon as possible in order to promote them alongside the event launch.
2. Tough Mudder will commission a economic impact post-event survey to gauge participant demographics (age, gender, household income, likelihood of return), travel behavior (location by zip code, travel time, etc.), overnight activity (percent of overnight stay, length of stay, type of accommodations, location of accommodations, name of accommodations, etc.), and spending activity (daily spend in a number of categories).
3. Tough Mudder will use calculation methods provided by the National Association of Sports Commissions to provide a conservative estimate of the direct economic impact of the event from non-local sources (including room nights, average spend, etc.).
4. Tough Mudder will send dedicated e-mails to participants directing them to the official event Lodging pages that will prominently feature Bastrop properties. Tough Mudder will track visits to these pages for reporting purposes.

Do your promotional materials/website note area lodging facilities that can host participants? Yes.

Tell us about your event or project:

Tough Mudder Central Texas 2017 will be held on May 6, 2017 and May 7, 2017 at McMahan Ranch in Smithville, Texas for the third consecutive year. For the first time, Tough Mudder Central Texas will consist of a Tough Mudder event and a Tough Mudder Half event running concurrently on each event day. By introducing a new collaborative event format to this market, we aim to draw an increased number of participants to Bastrop; thus introducing a new demographic to the region and further marketing Bastrop as a premier destination for event guests. Please find descriptions of both events below.

Tough Mudder is a ten to twelve mile obstacle course inspired by British Special Forces designed to test participants' overall strength, stamina, teamwork and mental grit. Tough Mudder places great value in promoting camaraderie throughout the course, designing obstacles that encourage group participation. Participants must commit to helping others complete the course, putting teammates before themselves, and overcoming fears. Tough Mudder participants are affluent, adventurous, innovative individuals that vary in age, gender and socioeconomic status. Demographically, Tough Mudder's participants are generally 65% male and 35% female, about 70% of who are under age 40, with an annual income of at least \$85,000. Tough Mudder Central Texas 2016 drew about seven thousand participants and spectators, and we anticipate growth in 2017.

Tough Mudder Half is an epic five-mile obstacle course designed to test physical strength and mental grit in a team-oriented, social atmosphere. It offers a new opportunity for participants to live out the same memories in just half the distance. Rough Mudder Half offers all of the thrills of Tough Mudder, made accessible for everyday athletes and "weekend warriors". The consumer profile of a Tough Mudder Half participant is geared towards a 56% male and 44% female split, with an average age between 25 – 40 and a mid-level income. The characteristics of a Tough Mudder Half participant can be described as hyper-social, trendsetting, self-motivated and tech-savvy. Tough Mudder Half Central Texas 2016 drew about three thousand participants and spectators in the debut year, and we anticipate growth in 2017.

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

PART ONE - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain

Tough Mudder Central Texas 2017 qualifies for financial assistance under the expenditure category of advertising, solicitations, and promotions that attract tourists and convention delegates to City of Bastrop.

The City of Bastrop and surrounding communities are an emerging tourism destination in Central Texas, and welcoming an increased number of Tough Mudder and Tough Mudder Half participants to the area for an enhanced Tough Mudder Central Texas event will serve to increase brand awareness for the region, solidify brand identity for Bastrop, and encourage a longer stay and activity in the community by enhancing visitor experience. As over 98% of Tough Mudder Central Texas 2016 participants were visitors to Bastrop, Tough Mudder Central Texas 2017 is an opportunity to further market Bastrop to non-local participants on a national level as a premier destination location, and build upon the reputation that Bastrop attracts adventurous and exciting events to the community. Tough Mudder is excited for the potential opportunity to promote the City of Bastrop alongside this event in 2017.

From Tough Mudder's first event in Bastrop in 2015 to Tough Mudder Central Texas 2016, an event which we partnered with the City of Bastrop, there is evidence of growth in overnight activity. In 2015, 50% of participants stayed overnight, while in 2016, 55.5% of participants stayed overnight. In 2015, 61.6% of overnight participants stayed in local hotels, while in 2016, 70.8% of overnight participants stayed in local hotels. In 2015, the average length of stay was 1.9 nights, while in 2016, the average length of stay was 2.1 nights. In addition to the aforementioned figures, over 60% of participants were first-time Central Texas Mudders. Tough Mudder is eager to continue to attract new participants from surrounding communities to Bastrop for this event, in addition to the "Legionnaire" population (multiple Mudder finishers). Please find post-event reports attached from both 2015 and 2016 for further statistical information.

To build upon this growth in 2017, Tough Mudder plans to use a number of marketing tactics to best promote Bastrop accommodations and attractions not only to increase event participation, but inspire organic tourism to the region post-event. Tough Mudder will utilize digital marketing in the form of event page promotion, lodging page promotion, web display advertising, search advertising, and Facebook advertising - beginning all promotional tactics upon event launch (creating close to eleven months of media exposure prior to the event).

Re: 2017 Hotel Occupancy Tax Funding Application

Please accept this application to qualify the Tough Mudder Central Texas 2017 event for financial assistance under the Hotel Occupancy Tax for Bastrop.

In addition to the 2017 Hotel Occupancy Tax Funding Application, enclosed are: a proposed budget as directly related to event-specific funding, post-event reports from Tough Mudder Central Texas 2015 and 2016, an event planning timeline for Tough Mudder and Tough Mudder Half Central Texas, a list of funding sources, two event-specific economic impact assessments conducted by a third-party consultant, and two letters of sponsorship from local organizations. As Tough Mudder Inc. is a privately-held company and not a 501(c)3 organization, a profit and loss statement and list of board members have not been included. Please let us know if we can provide any additional information to help in your review.

Thank you in advance for your consideration in providing Tough Mudder this grant, which will support national marketing efforts to increase tourism and overnight hotel stays from Tough Mudder and Tough Mudder Half in Bastrop County and the City of Bastrop in 2017. We look forward to continuing our partnership with the City of Bastrop on this event and growing the community's robust tourism and economic development initiatives.

2016 Tough Mudder Central Texas Operating Plan

INTRODUCTION

Tough Mudder is the premier adventure challenge series in the world. The 2016 Tough Mudder Central Texas event will be a 10 mile obstacle course featuring 20+ military style obstacles designed to test participants' all around strength, stamina, and mental grit, while stressing the importance of camaraderie. An integral part of Tough Mudder events is the fundraising provided to charities. To date, Tough Mudder is proud to have helped raise over \$12 million dollars for charities around the world.

Tough Mudder events have been taking place since 2010. In 2013, Tough Mudder held 53 events throughout the United States, Canada, the United Kingdom and Australia. This number has grown to over 60 in the coming 2016 event season globally.

2016 Tough Mudder Central Texas Operating Plan

FOOD AND ALCOHOL CONTROLS

Tough Mudder food and beer operations have been arranged by Willie's Joint, LLC, a licensed concessionaire. Beer will be available for purchase. Food and non-alcoholic beverages will also be available.

Tough Mudder has worked with Willie's Joint, LLC to ensure smooth and safe flow of alcohol.

Identification Checks: All participants and spectators wishing to enter the event area will be required to show ID at the registration tents prior to entering Mudder Village. They'll be granted an orange wristband indicating they are over 21, and this wristband will be checked at any point of sale.

NOTE: All participants running must be at least 16 years of age to run with a chaperone and 18 years of age to run alone. Roughly 13% of participants are between the ages of 16 and 21.

Additional Checkpoints: In the event that a participant wearing a wristband may appear to be under the age of 21, an escort will be provided to allow the participant to retrieve his/her ID from the Bag Drop tent, and then return if age has been appropriately validated. All bartenders serving beer have the right to question and re-check identification for those who may look to be under age.

Saturday - Typical Alcohol Serving Hours: 9:00 AM - 6:00 PM

Sunday - Typical Alcohol Serving Hours: 10:00 AM - 5:00 PM

RE: Letter of Sponsorship for Tough Mudder and Tough Mudder Half Central Texas
2017 HOT Funding Application

Bastrop City Council:

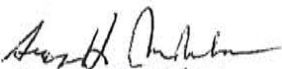

After collaborating closely with the Tough Mudder team to host Tough Mudder Central Texas at McMahan Ranch for the past two years, I have the utmost confidence in Tough Mudder's ability to produce and execute world-class events that greatly enrich our local community.

From the initial planning stages of the event to the last participant crossing the finish line, Tough Mudder worked closely with our team to address all concerns, work within restrictions set forth, communicate promptly and effectively, and navigate all sensitive matters appropriately. Throughout this entire process, I have found that the Tough Mudder team is highly professional, and will do all they are able to provide an overwhelmingly positive experience for my property, the surrounding community, and me. From my experience, the Tough Mudder team repeatedly stresses comprehensive planning and works diligently with every partner in order to ensure seamless execution of Tough Mudder events.

Tough Mudder's core values align with the core values of our community – integrity, loyalty, teamwork, and respect – and I believe Tough Mudder enhances our reputation as a welcoming community that celebrates our character and spirit. Above all, Tough Mudder events have proven to breathe new life in to our region, not only by attracting thousands of new visitors, but also bringing a sense of excitement and adventure.

I take great pride in bringing one of over sixty global Tough Mudder events to our community and humbly encourage any organization given the chance to partner with Tough Mudder to seize the opportunity.

Regards,

George McMahan

RE: Letter of Support for Tough Mudder and Tough Mudder Half Central Texas 2017 HOT Funding Application

Please accept this letter of support for the 2017 Hotel Occupancy Tax Funding Application submitted by Tough Mudder for the Tough Mudder Central Texas and Tough Mudder Half Central Texas event in Bastrop County, Texas.

After working with Tough Mudder to produce and promote Tough Mudder Central Texas in Bastrop County for the last two years, I am confident in their ability to plan and execute extraordinary events. From my experience, Tough Mudder was incredibly informative and accommodating, paying particular attention to local authorities and their needs, as well as the needs of the venue owner and other stakeholders. They took their responsibilities to our community seriously and displayed complete thoroughness throughout both the planning and execution process.

The Tough Mudder Central Texas event offers an opportunity to increase hospitality commerce, but more importantly, the event has been proven to draw participants and event guests from all over the state and country to experience the best of what Bastrop has to offer. Their visit to Bastrop creates economic opportunity. The economic impact of Tough Mudder Central Texas 2016 was significant, and we expect a strong impact on local businesses and Bastrop hotels again in 2017.

Best regards,

Adena Lewis
Director, Tourism and Economic Development

Due to significant accomplishments achieved since April 2016 with the restoration of the BOH facility and the incorporation of an active governing Board of Directors, BOH acknowledges:

- 1) Safe, City approved stage lighting system has been installed and is operational;
- 2) Safe, new audience overhead lighting system installed and operational;
- 3) New roof has been installed;
- 4) Estimates received for repair of eastern exterior wall to begin July 2016;
- 5) Estimates received for repair to interior theatre room walls - plaster, paint & decorate, August;
- 6) Evaluation of northern exterior wall (entry) underway;
- 7) Replacing front doors/jam needed, artisan being sought.

These projects have been possible by the \$68K from the City of Bastrop (HOT) funds; the \$36K from the hail damage settlement; the \$30K of the Bluebonnet Electric Cooperative grant; the BOH \$18K roof fundraising campaign including a \$15K anonymous donation; and the stage/theatre lighting \$10K anonymous donation. Therefore, we propose this program of work fully recognizing the historic landmark as Bastrop's distinctive destination for tourists and residents alike.

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

PART ONE - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain

Marketing outside the 30 mile limit; however, Austin is a major contributor to overnight guests who come to BOH, whether residents or tourists there, they do return to Bastrop's local lodges overnight. As a major tourist destination, BOH has priced ads statewide. BOH annually buys an ad package in the state theatre organization and in the national, when available. BOH partners with local organizations for street events, collective advertising, and promotionals like storytelling at the museum. Even the initial billboard campaign. Multiple state theatre Board meetings and retreat have been hosted by BOH in local lodges and venues: 2014, 2013, 2010, 2008 and the 2015 state theatre youth conference with \$78K to local lodges and businesses! Participating in our outreach program with state and national competitions, our art selections tour throughout the state in September 2016 and January/March 2017. The premier of a national award-winning New Jersey playwright's new show will take place in BOH summer 2017. BOH resurrects its daytime entertainment (matinees) with paid actors, if funded by this proposal. We want to see tour buses downtown again, right?

Dear Taxpayer:

This is in response to your July 20, 2015, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in June 1981.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(2).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should contact us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

The box checked in the heading of this letter shows whether you must file Form 990, Return of Organization Exempt from Income tax. If Yes is checked, you are required to file Form 990 only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

1100 Commerce St., Dallas, Texas 75242

(over)

Letter 947(DO) (5-77)

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

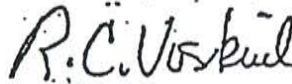

You need an employer identification number even if you have no employees.

If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

R. C. Voskuil

This will be a two day event for art classes, demonstrations and art education. Teachers and attendees will have the choices of taking classes, attending demonstrations and learning from other artists. There will be interaction with BISD students that can attend classes that will be held in the PAC Center, as well as a Q & A session with some of the teachers at the end of the event. Businesses in the downtown area will be used for the classes and demonstrations as we are working with local restaurants and businesses promoting the event. The Main Street Program and the Chamber of Commerce are sending out the information as well as our own advertising that will go out in all of Texas and other states. This is our newer event in place of our fall art show that was held for over 14 years. With changing times, we have changed this event to be more educational and to draw more outside attendees.

This will be our 11th annual "Artful Afternoon" Gala held in April. This event is our major fundraising event, but is also a statewide event for art appreciation. Guest that attend come from all over the state of Texas. This year the event will be at our new Lost Pines Art Center and Reflective Sculpture Garden. We will also have a nationally recognized artist that will be showing at our gallery in the month of April and will be holding classes. This event will bring in many out of town attendees, guest and art students.

This will be the League's second year to hold this event. The League took this event over from BAFA and then the BSID teachers from the previous year. This has been a long time event, and we did not want to see it dissolve. It was very successful first year, and we hope that it will grow next year to be a much bigger and better event. We hope to not only have the \$1000 scholarship and certificates, but have an evening event with a reception, live music and more recognition of our teachers. We provide all the supplies to the teachers, pay for all the matting of the children's artwork, and buy T-Shirts to sell (only covering cost of the T-Shirts). We have all the children's artwork displayed in the businesses on Main Street. Some of the Salinas Family was present during the PAC event for the students.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

How will you measure the impact of your event on area hotel activity?

We add the visitbastroptx.com website to our page for lodging needs, along with a statement that says mention the Burning Pine Run when registering for a room. We have also added a question to the registration site to see how many are staying overnight. 2016 is the first year for that addition so we don't have any statistics yet.

Do your promotional materials/website note area lodging facilities that can host participants? yes

Tell us about your event or project:

We host a 5K/10K each year celebrating the survival and comeback of the Bastrop Community at the 2011 wildfires.

The run is held in the Bastrop State Park and attracts runners from all over the state.

Proceeds from the run are divided between the Friends of the Lost Pines to be given to the park and the Bastrop Y for financial assistance program.

2017 will be the 6th year for the event.

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

***PART ONE** - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain*

Funding will be used to advertise and market the event in San Antonio, Houston and Dallas areas to recruit runners who will stay overnight.
We have found that digital/social media has been the most economical and productive for getting runners here and staying overnight.

Provide a brief description of your organization's mission:

The mission of the Bastrop Downtown Business Alliance (DBA) is to market historic downtown Bastrop to enhance the business environment and to promote business growth and sustainability. DBA works to enhance the economic and physical environment of downtown Bastrop allowing existing businesses to prosper and grow and attracting a diversity of new businesses. We also seek to provide residents in the immediate area as well as the citizens of Bastrop County with a safe and attractive place in which to carry out and enjoy normal everyday activity. DBA seeks to do this in such a way that visitors will also seek out the downtown Bastrop experience. DBA seeks to accomplish this goal through regular, cooperative marketing of the Downtown as a destination worth visiting and regular monthly events such as Bastrop First Friday Art Walk. With fourth quarter being the busiest time of year for retail businesses the DBA has shifted its focus to one large scale yearly event, Lost Pines Christmas.

How will you measure the impact of your event on area hotel activity?

1. Prior to the event, DBA will deliver a packet to each of the hotels listed on the Lodging accommodations list. This packet will include a poster, flyers to hand out, a tally sheet and a letter to the manager. The letter will request that the hotel use the materials to promote the event and that they keep the tally sheet showing which guests indicated that they came to the hotel for the event.
 2. DBA will ask Main Street to count the attendance as they have in the past making two counts—one for the daytime 10am-4pm—and one for the parade. All tents and activities will also keep a tally of how many took part in each event.
 3. The week after the event, DBA representatives will go back to the hotels and pick up the tally sheets.
 4. All tallies will be used to make the end of event report.
- All printed advertising will include "For lodging information, see bastropdowntown.com". This will also be included in all scripts for live ads such as radio and tv. Digital and social media ads will include this as well.
All banners and ads will include the approved city logo.

Do your promotional materials/website note area lodging facilities that can host participants? Yes

Tell us about your event or project:

Lost Pines Christmas takes place December 9 - 11, 2016 with components jointly produced and promoted between both the DBA & The Main Street Program. LPC kicks off with Main Street sponsored Wine Swirl on December 9th. Lost Pines Christmas Weekend has always been a major weekend for Lost Pines Christmas (formerly Shop, Rock & Stroll) but this year we continue to build on what we started last year by making this one weekend "visit" worthy to travelers by using both Hot Funds and Sponsors to make all the events and entertainment free to all that attend. Those attending will be encouraged to bring a toy to donate to Pink Santa in lieu of purchasing tickets.

Some of the "family friendly" activities that will take place include our ice skating rink in 921 Main that was a huge hit last year during Lost Pines Christmas Weekend. This year we will continue with the 30x60 rink and are again very excited about the opportunities that allows. Main St. will be again be transformed with toy makers selling unique children's gifts and wares that Saturday along with food vendors offering fun street fare. We have plans to transform the street in to a magical space. We are setting up a story telling tent and kids can enjoy such things as puppeteers, stories, performance art & music. Our enchanting lighted Christmas parade will take place Saturday December 10th drawing thousands to enjoy the nostalgic, hometown experience. We will be applying for TCA matching grants again as was done in the past to help stretch our entertainment budget to its fullest.

We will also be promoting the shops & restaurants that reside on Main St. all year long and encouraging visitors & locals to shop, eat & stay in our historic downtown. We plan to have Christmas music playing on Main St. like last year & encouraging store fronts to help us transform Main St. in to a warm, inviting Christmas town. We want to captivate people on this trip so they remember us all year long for a place they want to visit again.

Promotions for this event include but are not limited to TV advertising, print advertising, billboards and digital advertising. The target areas for promotions are the Houston area including surrounding areas of Houston such as Sugarland & Katy. Advertising will also be done to hit central Texas including Austin. We will work closely with the Main Street Program on promotions of this event to leverage a stronger, cooperative push as well as the Chamber of Commerce.

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

PART ONE - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain

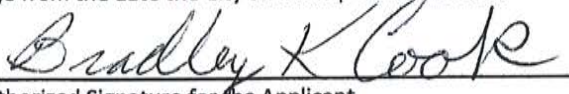

Advertising, solicitations and promotions that attract tourists and the encouragement, promotion, improvement and application of the arts.

HOT funds used for this event are to solicit visitors from outside of Bastrop county to come enjoy our historic Downtown during the Christmas season. The advertising will be used in promotion of it and the entertainment will be used as a hook to get them here. Advertising dollars requested are to be able to do effective, quality marketing of this large scale event to get the most return for dollars spent. Our goal is to achieve a high visibility for the event, a better return on getting heads in beds during the event and helping us most strategically maximize our dollars for this event. Lodging information is easily found on a visit to our website, BastropDowntown.com, where all the hotel information has been listed for visitors planning ahead for their visit.

The encouragement, promotion, improvement and application of the arts will be in the entertainment. The street will come alive with Puppet Performances. Magician Performances, Clown Performances, Mrs Santa, Glitter Princesses, a Christmas based Wild West Show, Ice Performers, and other shows such as Fair to Middlin and O' Malarkey all utilizing professional entertainers and actors to enhance and heighten the experience.

LOST PINES CHRISTMAS EVENT PLAN

The goal of the Christmas event this year is to offer a completely free to the community and tourists family oriented event with the size and scope of both activities and advertising dependent upon the amount of sponsor advertising packages sold and the HOT funds awarded.

Those attending will be encouraged to bring a toy to donate to Pink Santa in lieu of purchasing tickets.

Should there not be enough funding through sponsorships or HOT funds, the committee will either decrease the scope of entertainment or consider selling ticket bracelets to allow participation in those events that are in italics.

CALENDAR OF EVENTS

Black Friday, Nov. 25, and continuing through Friday, Dec. 23, the downtown retail community is highly encouraged to have extended hours on Fridays and Saturdays until at least 8pm and on Sundays until at least 4pm.

Saturday, Nov. 26: Small Business Saturday promoted by Main St. and Chamber of Commerce.

Friday, Dec. 2: First Friday Art Walk

Thursday, Dec. 9: Wine Swirl— program by Main St

Friday-Sunday, Dec. 9-11, Lost Pines Weekend/DBA Wonderland on Main and Lighted Christmas Parade

Saturday, Dec. 17: downtown businesses are encouraged to have open houses with details promoted on BastropDowntown.com

2016 Sources of Funding

1. HOT Funds
2. Sponsor Donations through the purchase of advertising packages
(Sponsorship packet attached)
3. Vendor Fees for events
4. TCA Grants

**BASTROP DOWNTOWN BUSINESS ALLIANCE
"LOST PINES CHRISTMAS: WONDERLAND ON MAIN" SPONSOR PACKAGES
DECEMBER 9-11, 2016**

DBA will be offering a family oriented event on the weekend of Friday, December 9, 2016, until Sunday, December 11, 2016. If enough sponsorship packages are sold, this event will be completely free for the community as well as tourists. This will include free ice skating, free carriage rides, visits and photo ops with Princesses and Mrs. Santa, professional storytellers, magicians, clowns and puppet theaters. There will also be opportunities for the kids to make special Christmas projects, all taking place on South Main. If the city approves the DBA HOT funds requests, even more entertainment such as a Wild West Christmas show, live music and ice performers will expand the event to North Main as well. The weekend will start with ice skating, carriage rides and s'mores on Friday night, all of the above activities on Saturday from 10-4 with the Lighted Christmas Parade happening Saturday evening. Sunday will find special brunches in downtown Bastrop along with shopping in local shops. In order for this event to happen and be publicized DBA is selling special advertising sponsor packages. These packages are tied to specific events. There must be a sponsor to have each component of the event. DBA hopes that you will be able to help bring this special holiday celebration to downtown Bastrop. Thank you for your support.

TITLE SPONSOR: 1 at \$5000

1. Title on all print and digital advertising including local mailer and TV promotion
2. Banner ad on BastropDowntown.com to begin right after the contract is signed and to continue for one year from that date
3. Banner at beginning of parade and on the back of Santa's float at the end
4. 2 ice rink banners (if rink is funded)
5. Name and logo on "thank you" ad after the event

SANTA'S STORIES TENT: 1 @ \$1500

This tent will feature professional storytellers partially funded by a TCA grant. They will tell holiday related stories from cultures around the world.

1. 10' banner on tent
2. Name listed on local mailer and print ads
3. Banner ad on BastropDowntown.com for 6 months
4. Logo listed on "thank you" ad after the event

RUDOLPH'S REINDEER GAMES TENT: 1@ \$1500

This tent will feature performances by professional magicians, clowns and puppet theaters.

1. 10' banner on tent
2. Name listed on local mailer and print ads
3. Banner ad on BastropDowntown.com for 6 months
4. Logo listed on "thank you" ad after the event

ICE RINK SPONSORS: 7@\$1000

It is anticipated that the ice rink will either be in the lot at 921 or on South Main based on what the city allows. If all 7 sponsor packages are purchased, this event will be free. If not, a small ticket price will be charged to cover the deficit.

1. 2 banners on ice rink
2. Name listed on local mailer and print ads
3. Banner ad on BastropDowntown.com Sept. 1-Dec. 31 (4 months)
4. Logo listed on "thank you" ad after the event

CARRIAGE RIDE SPONSOR: 1 @ \$1000

DBA will contract with a carriage company to provide short rides through the historical district on Friday evening and Saturday during the day prior to the parade. Sponsorship will allow this to be free.

1. Banner on carriage
2. Name listed on local mailer and print ads
3. Banner ad on BastropDowntown.com for 4 months
4. Logo on "thank you" ad after event

PRINCESS TENT SPONSOR: 1 @ \$500

This tent will allow the kids to meet and have photos with very popular Disney princesses such as Anna, Elsa and Cinderella. Sponsorship will allow this photo op to be free of charge.

1. 8' banner on tent
2. Name listed on local mailer
3. Name listed on "thank you" ad after event

MRS. SANTA'S TENT SPONSOR: 1 @ \$500

This tent will give the kids time to visit with Mrs. Santa, have photos and write a letter to Santa. Sponsorship will allow this opportunity to be free.

1. 8' banner on tent
2. Name listed on local mailer
3. Name listed on "thank you" ad after event

CHRISTMAS MAILER ADS: 6 ads@\$300

DBA will send out approximately 8000 8.5x11 two sided postcards to targeted mail routes in the Bastrop area. This will be the main form of local advertising of the event. There will be 6 business card ads included to help pay for this mailer. Businesses must provide camera ready ad.

Provide a brief description of your organization's mission:

The Bastrop County Women's Shelter, dba Family Crisis Center started in 1981 from a coalition of rural Texas women with a shared vision of offering hope, support, and assistance to women victimized by domestic violence. Since becoming an incorporated nonprofit in 1983, the Center has evolved into a community leader in rural Central Texas focusing on domestic and sexual violence. The Center's mission is to be the expert resource and service provider in eliminating domestic and sexual violence in Bastrop, Colorado, Fayette and Lee Counties. The Center strives to provide quality, comprehensive programming to assure victim safety and offender accountability with the ultimate goal of helping families create and maintain violence-free lives. The Center envisions a safe community built on equality without the existence of violence. The services offered by the agency include: crisis services including intervention, advocacy, support, information and referral accessible 24/7 through the toll-free hotline; counseling services for adult and youth victims of domestic and sexual violence; emergency shelter and transitional housing for victims and their families; violence prevention education for adults and youth; referrals and information regarding other community resources; and the operation of the Center's community thrift store, Bits & Pieces.

How will you measure the impact of your event on area hotel activity?

The Center will utilize an internet-based participant survey (in conjunction with even registration) in order to capture information related to the number of cyclists traveling to Bastrop for the event and staying overnight in local hotels/motels. The agency received an 85% response rate to the 2016 participant survey. Estimates for the number of attendees staying locally for next year's event were based on these survey results. The agency will conduct a similar survey at next year's event.

Do your promotional materials/website note area lodging facilities that can host participants? Yes

Tell us about your event or project:

The Pedal Thru The Pines event is an established cycling event that supports the programs offered by the Family Crisis Center. The event is recommended as a training ride for cyclists participating in the BP MS150, the largest ride in Texas and one of nine regional rides benefitting the National Multiple Sclerosis Society. The event has been associated with the MS150 ride for the past 14 years. Cyclists may choose to complete routes of varying mileage (on paved roads) through both Bastrop and Buescher State Parks and the surrounding countryside. All routes have SAG (Support and Gear) coverage provided by support vehicle volunteers and rest stops with restrooms and refreshments. Mechanical support is provided at the start/finish line and at selected rest stops. Pre-registration is available online and by mail for cyclists. Registration on the day of the event is usually available as well. The event typically takes place on a Saturday in the early part of March. The ride starts at 9:00AM, and all routes are cleared by 4:00PM. The event has a capacity of 1500 cyclists, and over the last few years has averaged around 1000 participants. It is anticipated that approximately 16% of cyclists participating in the upcoming event will stay in the Bastrop area, and approximately 6% will stay overnight in a local hotel, motel or B&B.

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

PART ONE - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain

The Pedal Thru The Pines event attracts cyclists from across Texas and as far away as Hawaii. The event is advertised on the agency's website, on the National Multiple Sclerosis Society's MS150 website, Austin Cycling Association (cycling magazine), and numerous cycling shops throughout Texas. The Pedal Thru The Pines event promotes tourism and the local hotel/motel industry through the event website (www.pedaltrupines.org) and through informational handouts that are provided to cyclists participating in the event. The event website contains a link to the City of Bastrop's website. The event t-shirt will promote Bastrop and include the City of Bastrop logo. The event registration form also features the City of Bastrop logo.

Our Letter Dated:
July 10, 1984

Addendum Applies:
No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(1).

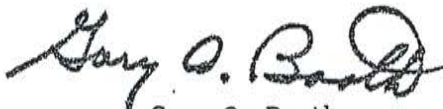

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions please contact the person whose name and telephone number are shown above.

Sincerely yours,

Gary O. Booth
District Director

BASTROP COUNTY WOMEN'S SHELTER, INC. DBA FAMILY CRISIS CENTER

NOTES TO FINANCIAL STATEMENTS

For the Years Ended September 30, 2015

NOTE 1 – ORGANIZATION

Bastrop County Women's Shelter, Inc., dba Family Crisis Center (the "Crisis Center") is a not-for-profit corporation chartered in June 3, 1983. The primary purpose of the Crisis Center is to provide crisis intervention, shelter, counseling, crime victim advocacy, public education awareness, and support services to victims of family violence and sexual assault and child abuse in Bastrop, Lee, Fayette, and Colorado counties.

The Crisis Center is supported primarily through federal and state grants, donor contributions, and the United Way. Approximately 53 percent of the Crisis Center's support for the year ended September 30, 2015 came from federal and state grants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Crisis Center maintains its books on the accrual basis of accounting where revenues are recorded when earned and expenses are recognized when an obligation is incurred.

Financial Statement Presentation

The Crisis Center adopted the Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Crisis Center is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Crisis Center is required to present a statement of cash flows.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expired, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Unrestricted Net Assets

Unrestricted net assets include operating reserves and cash reserves designated by the Executive Committee and represent expendable funds available for support of the Crisis Center operations.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those for which use by the Crisis Center has been limited by donors to a specific time period or purpose.

BASTROP COUNTY WOMEN'S SHELTER, INC.
DBA FAMILY CRISIS CENTER

NOTES TO FINANCIAL STATEMENTS (Continued)

For the Years Ended September 30, 2015

Permanently Restricted Net Assets

Permanently restricted net position is subject to donor-imposed stipulations and must be maintained permanently by the Crisis Center.

Deferred Revenue

Revenue from grants are deferred and recognized over the periods to which the grants relate.

Federal Income Taxes

The Crisis Center is an exempt organization for federal income tax purposes under Section 501(c)(3) of the Internal Revenue Code.

Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Expenses

The expenses of the Crisis Center's various programs and supporting services have been reported on a functional basis. Certain expenses are allocated between program and supporting services based on estimates made by management.

Cash and Cash Equivalents

The Crisis Center considers all cash and other highly liquid investments with maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude restricted cash and cash equivalents.

Donated Property and Services

Donated property and services are recorded at fair market value on the date of the donation as in-kind contributions if all qualifications for reporting have been met.

Compensated Absences

The Crisis Center expenses vacation in the year earned. Upon termination, the employee is compensated for any accrued but unused vacation, not to exceed the maximum of 40 hours.

BASTROP COUNTY WOMEN'S SHELTER, INC.
DBA FAMILY CRISIS CENTER

NOTES TO FINANCIAL STATEMENTS (Continued)
For the Years Ended September 30, 2015

Property and Equipment

Property and equipment are recorded at cost and depreciated over their estimated useful lives, ranging from three to 40 years, using the straight-line method. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in the period. Maintenance and repairs are charged to expenses as incurred, and significant renewals and betterments are capitalized. The Crisis Center capitalizes assets over \$500 that have a useful life greater than one year or significantly extends the useful life of an asset. Donations of property and equipment are recorded at fair market value on the date of donation.

Inventory

Inventory is valued at estimated fair wholesale value and consists 100 percent of donated goods. The estimated fair wholesale value of donated goods is recorded as an in-kind contribution. Those donated items that are determined to not be salable are either given away to clients or scrapped. The items determined not to be salable are not recorded in these financial statements, nor have any values been placed on them. Costs related to bringing donated materials to a salable condition are included in expenses as incurred. The proceeds from the sale of such materials are recognized as revenue when received.

NOTE 3 – CAPITAL ASSETS

NOTE 4 – NOTES PAYABLE

The Center obtained \$1,000,000 in construction financing from the Texas Department of Housing and Community Affairs (TDHCA) under the HOME Multifamily Housing Program for the construction of apartment units to be known as the Bastrop County Women's Shelter. This financing is secured by a first lien note and deed of trust against the property and improvements. This loan financed the construction of 21 apartment units. The loan consists of two notes as follows:

	<u>2015</u>	<u>2014</u>
Loan Balance:	\$ 178,665	\$ 189,832
Maturity Date:	September 1, 2031	
Interest Rate:	0% per annum	
Payment Terms:	Payments are due and payable in monthly installments of \$930.56 beginning September 2001 and continuing regularly every month thereafter for a period of 360 months. Tract I and II are held as collateral as described in the warranty deed with vendor's lien.	

	<u>2015</u>	<u>2014</u>
Loan Balance:	\$665,000	\$665,000
Maturity Date:	September 1, 2041	
Interest Rate:	0% per annum	
Payment Terms:	Payments are due and payable beginning September 2001 in monthly installments in an amount equal to 98% of the monthly "net cash flow" and continuing for a period of 480 months. Provided there is no event of default, TDHCA may waive and forgive repayment of any remaining principal on the loan after its maturity. Tract I and II are held as collateral as described in the warranty deed with vendor's lien.	

The TDHCA loans imposed additional restrictions as to the use of the property for which it funded, including providing housing for low-income individuals for a period of 30 years.

No maturities for the TDHCA note (\$665,000) are reported in the next five years since the payments are dependent on future net cash flow from rentals.

Interest expense has been imputed on both notes at the rate of five percent of the average principal balance throughout the fiscal year. This expense is offset by a corresponding amount for in-kind contributions, totaling \$42,435 for the year ended September 30, 2015.

NOTES TO FINANCIAL STATEMENTS (Continued)
For the Years Ended September 30, 2015

The Crisis Center obtained construction financing from First State Bank Central Texas for the new thrift store. The terms are as follows:

	<u>2015</u>	<u>2014</u>
Loan Balance:	\$ 344,500	\$ 392,385
Maturity Date:	June 16, 2016, unless extended as provided in the loan document	
Interest Rate:	6.5% per annum	
Payment Terms:	Payments are due and payable in 59 monthly installments of \$5,997 beginning July 16, 2011 and continuing regularly every month thereafter through May 16, 2016, and in one final installment on June 16, 2016 in the amount of the unpaid principal and unpaid accrued interest. Surface estate only of various lots in Tahitian Village are held as collateral as described in the deed of trust security agreement.	

The schedule of maturities of long-term debt is as follows:

<u>Fiscal Year</u> <u>Ended</u>	<u>Amount</u>
2016	\$ 62,241
2017	65,662
2018	69,311

Debt - current portion	(59,051)
Debt referring to TDHCA note	<u>665,000</u>
Long Term Debt, Less Current Portion	<u><u>\$ 1,129,114</u></u>

NOTE 5 – OPERATING LEASE COMMITMENT

The Crisis Center receives (from the respective counties) office space for its Fayette, Lee, and Colorado County locations. These counties provide office space free of charge. The fair market value of this rent is included in the revenues for in-kind contributions and totals \$19,470 for the years ended September 30, 2015 and 2014.

**BASTROP COUNTY WOMEN'S SHELTER, INC.
DBA FAMILY CRISIS CENTER**

NOTES TO FINANCIAL STATEMENTS (Continued)

For the Years Ended September 30, 2015

The Crisis Center also leases the land upon which its administrative and direct services office is situated. The landlord donated the land in the form of a long-term lease with a \$1 lease option for 50 years. The lease expires on September 30, 2044. The fair market value of this estimated contributed rent expense is offset by a corresponding amount for in-kind contributions, totaling \$21,421 for years ended September 30, 2015 and 2014.

NOTE 6 – EMPLOYEE BENEFIT PLAN

The Crisis Center has a defined contribution plan, 403(b) Thrift Plan, (the "Plan") covering substantially all employees. Under the Plan, the Crisis Center contributes three percent of each eligible employee's salary. Contribution expense incurred by the Crisis Center during 2015 and 2014 was \$23,690 and \$22,507, respectively.

The Crisis Center also provides a salary deferral plan for substantially all employees; however, this is funded only by employee contributions.

NOTE 7 – DONATED SERVICES

The Crisis Center receives a significant amount of donated services from unpaid volunteers who assist in direct services, fundraising, and special projects. No amounts have been recognized in the Statement of Activities because the criteria for recognition under SFAS No. 116 have not been satisfied.

NOTE 8 – TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are unspent contributions received by various organizations and agencies.

The following is a detail of the temporarily restricted net assets:

	<u>2015</u>	<u>2014</u>
Swalm Endowment Grant	\$ -	\$ 4,600
St. David's Foundation - Mental Health	38,867	-

St. David's Foundation	-	41,738
Lola Wright Foundation	1,523	-
Total	<u>\$ 57,720</u>	<u>\$ 46,338</u>

NOTE 9 – LINE OF CREDIT

The Crisis Center maintains various lines of credit in the form of individual credit cards available for use by certain members of management and professional staff to carry on Crisis Center activity. The available credit limit for all cards totaled \$62,050 for the years ended September 30, 2015 and 2014. The cards have variable interest rates and payment terms. Each credit card has a set credit limit, with the outstanding monthly balances being paid in full by the due date.

NOTE 10 – CONTINGENCIES

The Crisis Center participates in a number of federal and state financial assistance programs. These programs are subject to financial and compliance audits by the grantors or their representatives and regulatory authorities. The purpose of the audits is to ensure compliance with conditions relating to the granting of funds and other reimbursement regulations. The Crisis Center's management believes that any liability for reimbursement which could arise as the result of these audits will not be material to the financial position of the Crisis Center.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 4, 2016

To the Board of Directors of the
Bastrop County Women's Shelter, Inc.,
dba Family Crisis Center:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bastrop County Women's Shelter, Inc., dba Family Crisis Center (the "Crisis Center") (a nonprofit organization), which comprise the statement of financial position as of and for the year ended September 30, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated March 4, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Crisis Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion the effectiveness of the Crisis Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Crisis Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Crisis Center's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Crisis Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Crisis Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Crisis Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY OMB CIRCULAR A-133 AND SCHEDULE
OF EXPENDITURES OF FEDERAL AWARDS**

March 4, 2016

To the Board of Directors of the
Bastrop County Women's Shelter, Inc.,
dba Family Crisis Center:

Report on Compliance for Each Major Federal Program

We have audited the Bastrop County Women's Shelter, Inc., dba Family Crisis Center's (the "Crisis Center") compliance with the types of compliance requirements described in the OMB *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Crisis Center's major federal programs for year ended September 30, 2015. The Crisis Center's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Crisis Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Crisis Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Crisis Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Crisis Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2015.

Report on Internal Control Over Compliance

Management of the Crisis Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Crisis Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Crisis Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency or a combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

The mission of the Bastrop County Historical Society (BCHS) is "To preserve and promote the history of Bastrop County."

HISTORICAL PRESERVATION PROJECTS:
 For more than 60 years the society has worked diligently to collect and preserve artifacts, heirlooms, documents and photographs so that they may be exhibited to the public and stored properly when not on display, preserving those objects for future generations. Museum artifacts span more than 9 million years---from a prehistoric mastodon skull to objects from the 2011 Bastrop County Complex Fire. In July 2015, BCHS proudly hosted the first in a statewide series of the Texas Department of Transportation, Texas Historic Commission, and the Historic Bridge Foundation's Historic Truss Bridge Open Houses at its Museum and Visitor Center. These Open Houses were held to aid in the gathering of public input and historical information on these historic metal bridges.

In the spring of 2016, BCHS volunteers, including a volunteer local archeologist, began an archeological survey of an historic home that is also a National Register property. The survey should be completed by August 2016.

HISTORIC SITE PRESERVATION:
 Over the years, historical site preservation projects have been a priority of the society. BCHS has worked to obtain historical designations for our former museum building and partnered with the community to complete preservation projects at Fairview Cemetery and the Kerr Community Center. CITY OF BASTROP
2017 HOTEL OCCUPANCY TAX FUNDING APPLICATION

Provide a brief description of your organization's mission: (...continued)

For the last few years, we have worked to fundraise, construct and open our new Museum and Visitor Center. This was the fulfillment of a long-range plan. In 2014 BCHS wrote and adopted a new Long Range Plan to take it into 2019. In the fall of 2015, BCHS became the recipient of a vast donation of archival material from the Clyde Reynolds Estate. Mr. Reynolds served Bastrop County for many years as its Tax-Assessor / Collector, while contributing innumerable hours to documenting the county's cemeteries. We are currently in the process of cataloging the contributions.

Promoting Heritage Tourism:

The Museum and Visitor Center of BCHS is open seven days a week. Our front gallery, with five 'state of the art' exhibits (a timeline from early history to present, El Camino Real de los Tejas, The Colorado River, The Lost Pines, and the Baron de Bastrop) was completed in November 2013. The Settlers Exhibit, our first exhibit in our Maynard Room Galleries, opened in February 2015, quickly followed by the Runaway Scrape Exhibit in May 2015 and the Road to Independence Exhibit last summer. A successful Campaign was launched in the summer of 2015 to fund the completion of the five remaining exhibits in the Maynard Room Galleries: 1) Historic Homes in Bastrop County; 2) When Cotton Was King, which will address cotton production, cotton buyers and hands-on spinning; 3) The Cattle Industry, detailing cattle drives and branding; 4) the Coal Mines, including oral interviews with miners and the growth of the Hispanic population in Bastrop County; and 5) The Camp Swift and World War II exhibits officially opened to an enthusiastic public on Memorial Day Weekend 2016.

With the opening of our newest exhibits, BCHS is updating its museum brochure in July 2016, to include photos of those exhibits.

Over the past year BCHS has sponsored three temporary exhibits. The first temporary exhibit was Vintage Clothing, which highlighted the museum's range of vintage artifacts including, a black ladies' waistcoat dating from the 1860s and a 1920s flapper dress. Antique tools for the care of clothing: flutter and iron, and personal care accessories: hair brushes, neckties, umbrella, fans, shoes, perfume bottles and hats were also exhibited. This exhibit was on display from July 2015-February 2016. The second temporary exhibit, Lone Star and Eagle: German Immigration to Texas, an exhibit on loan from Humanities Texas, opened on February 19, and closed May 22, 2016. BCHS partnered with the Rockne Museum, which lent BCHS a variety of artifacts to broaden the scope of the exhibit. The exhibit content represented the history of early German settlers in New Braunfels, Fredericksburg, Sisterdale, Rockne, and Bastrop. Slated to open August 2016, BCHS will feature an exhibit on the Rosenwald Schools. The Rosenwald Schools were the first school buildings built for African Americans and were financed by philanthropist, Julius Rosenwald, Co-Chair of Sears and Roebuck. One of Bastrop County's Rosenwald schools, located on Highway 21 in Cedar Creek, will be featured in this exhibit.

Through the museum, the society promotes Bastrop History by providing a variety of tours including self-guided tours of historic sites, bus tours, tours of Fairview Cemetery. All are available to local citizens, school children, and tourists. Fifteen tours were hosted over the last funding year, representing the following groups: Mina Elementary Education Staff, Mina Elementary 4th grade students, Children of the Confederacy (51 adults and children - Wallisville, Huntsville, Austin, Dripping Springs, Humble, Houston, Sanger and Dallas), Bastrop Christian Outreach Center, Bastrop Retired Teachers, Rotary Club of Bastrop, Greater Zion Missionary Baptist Church (Houston), West University Seniors (Houston), Texas Municipal League, Students from Blinn College (College Station), and lastly, the Calvary Episcopal School 4th grade students (additionally, these students experienced the Lunchbox History project where museum artifacts were presented in their classroom).

BCHS made ten public presentations which included: Bastrop Ladies Reading Circle, Mina Elementary, Bastrop Public Library, Rotary Club of Cedar Creek, Lost Pines Hyatt Regency; and, in addition, BCHS participated in the 2016 Yesterfest event, and initiated a First Friday Storytelling event, an event which will be held quarterly.

The Holiday Homes Tour & Rendezvous has been our signature event promoting the history of Bastrop through tours of historic homes. (continued on next page)

The December 2015 Tour included 5 homes and one church.

ADVERTISING:

We have a website and have expanded our presence on social media with a Facebook page, a Tripadvisor page, and various internet listings on tourism related sites. In addition BCHS has developed a special webpage and Facebook page for its unique offering "the official international spit off the bridge society". BCHS also owns and maintains the Visit Bastrop website which provides a comprehensive listing of hotel, motel and bed and breakfast lodging in Bastrop.

In the past, we have made use of the online marketing tool called Mailchimp, so that we could reach out to various audiences with our offerings. For example, we maintain e-mail addresses of our Homes Tour visitors, so we can advertise the date and time of the next tour. Other advertising over the past year included the following: banners to advertise the Homes Tour and new exhibits, printing of a Historic Homes Brochure, and ads in Houston House & Home magazine, Bastrop City/County Chamber map... and directory, The Bastropian, The Guide to Bastrop County, The Fort Hood Sentinel, an ad in the "Lost Pines Fine Art Show" brochure, Bastrop Adventure Book (Summer 2015), and Media Solution's Holiday Events & Gift Giving Guide. Also, a winter email blast was sent out for the annual Holiday Homes Tour. BCHS also joined a cooperative effort by the Downtown Business Alliance by contributing \$1,000 toward a one-year billboard purchase (February 2015-January 2016) advertising Bastrop.

Over the past year BCHS has begun to use radio advertising to reach a larger audience for its tours and exhibits. As a radio station owner, one of the homeowners on our 2015 Holiday Homes Tour generously donated radio air time to advertise the event on BOB FM 103.5, KGSR 93.3, KROX 101.5, KLBJ FM 93.7 which reached the Central Texas market. Most recently, in a special promotion effort for the grand opening of the World War II and Camp Swift exhibit, BCHS advertised for five days, a 15 second announcement, (15 total segments) each day during morning traffic hours on Magic 95.5 radio. The exhibit opening was also featured on Time Warner Cable's Channel 8 throughout the day on Memorial Day.

If the city were able to increase the amount of HOT funds available to BCHS, we would be able to advertise in even more publications such as Southern Living, Austin 360 magazine, Authentic Texas magazine, and Texas Parks and Wildlife magazine.

Visitors are asked to sign in and indicate whether or not they are visiting the museum and staying overnight. Located in the heart of the historic downtown, the number of visitors to the museum has grown. From April 2015-March 2016 approximately 9, 242 signed in to the MVC lobby. 5,832 of these visitors indicated that they visited the museum exhibits and 2,625 indicated that they were staying overnight. Over the 2016 Memorial Day weekend alone, 234 individuals signed in. 193 were from Texas while 41 were from out-of-state. 50 reported that they were spending the night in Bastrop.
 We anticipate 10,000 visitors over the next fiscal year with the opening of our newest exhibits.

Do your promotional materials/website note area lodging facilities that can host participants? Yes, we have a link to all lodging on our website

Tell us about your event or project:

Traditionally, BCHS has advertised the Museum in The Bastropian, Houston House and Home, Show Daily Magazine, and brochures that our visitor center distributes throughout the State of Texas through an exchange program. With the opening of at least 3 new exhibits this year, we need funding to promote the museum and Bastrop in publications, such as: Texas Monthly, Texas Highways, and newspaper travel sections in Houston, Austin, San Antonio, and Dallas. Museum ads would directly promote the Museum and Visitor Center and the opportunity to stay overnight in Bastrop. All ads would include a link to the Visit Bastrop website with a message saying "For local accommodations check out the lodging listing on visitbastroptx.com". Additionally, we would like to target college towns such as College Station, Seguin, Georgetown, San Marcos, and Brenham to entice researchers and college students to visit Bastrop's museum. We will also launch a statewide social media campaign targeting individuals with an interest in heritage tourism and Texas History.

Also, with the opening of our late 2016 and 2017 exhibits, BCHS will again need to update its museum brochure in the summer of 2017, to include photos of those exhibits. Approximately \$3000.00 will be needed to fund the design and printing of this brochure, which will be funded by the museum.

Our merchandising committee has obtained unique items, related to our mission and exhibits, to sell in the museum store for tourists to take home as souvenirs of their visit to Bastrop and the Museum and Visitor Center.

Our downstairs BCHS research library contains books, maps, publications and files on the history of Bastrop County -- its towns, its communities, its historical homes and families. Cemetery records, family files and other documents are available for research. There is also an extensive... (continued on next page)

photograph archive. Currently, one part time archivist is focused on preserving museum archives and collection management utilizing a software program to catalog over 5,884 documents and 3,944 photos of historical significance and to store and maintain over 1,662 objects (from glassware to saddles) and 459 books, so that they may be preserved for future generations and displayed to the public as part of rotating exhibits. A few years ago, BCHS took possession of the Bastrop Advertiser's archived newspapers, including the issues that have not been digitized. They are a popular resource for researchers utilizing our archives. Our most recent acquisition was a book donated by Dr. Neil Gurwitz written by his grandfather, Alexander Z. Gurwitz, entitled Memories of Two Generations-A Yiddish Life in Russia and Texas.

From April 2015 –March 2016 we have had 84 research requests, 53 of these were from out of the immediate area. There were 10 overnight stays of which we are aware. The types of inquiries range considerably, but the majority involve the identification of cemeteries where ancestors are interred, Camp Swift, German POWs, coal mining, Bastrop early history, identification of original colony members and various plots of land, and genealogical types of questions.

The cost for the part time employee is approximately \$10,000 per year. In addition to the part time staff member, BCHS archive volunteers provide over 1,150 hours annually.

We maintain the contact information on all of our researchers and send newsletters and other informational material to them. We provide a list of websites relative to research, some of them well-known, others not so much and we have received positive responses from researchers. We also send notices to our researchers of new exhibits, special events, Kesselus signed books for sale, the brochure promoting other museums in Bastrop County, and a reminder that we would like to receive a copy of their research if they are agreeable to sharing it.

By keeping a log of researchers that are willing to be contacted by persons working on the same subject, we have been able to connect researchers with common interests. Our interaction with researchers keeps Bastrop alive in their minds as a place to search and a place to visit, while providing new information for our archives.

In July 2016, BCHS hired a full time Museum and Visitor Center Executive Director to manage and curate the collection, oversee exhibitions and operations, and develop promotional events and programming for the local community and for tourists. Funding for this Executive Director position is shared with the Visitor Center.

With the adoption of our newest long-range plan in 2014, our goal is to have a sustainable source of funding so that we can be assured we can continue to maintain our facility, exhibits, and research archives. The total budget for the museum side of our operation is approximately \$132,360 so, city HOT funds provide only about 17% of what we need. The rest has been raised through other sources like garage sales, our Homes Tour and Rendezvous, donations and memberships.

As part of our Capital Campaign last summer (2015), we applied for a LCRA Community Grant and a Bluebonnet Electric Cooperative grant to complete two of the exhibits in the Maynard Room. Although we were not awarded the grants, community donations from the Capital Campaign were sufficient to fund the remaining planned Museum exhibits.

Facilities Operations and Maintenance

It should be noted that costs such as utilities, cleaning, insurance, and elevator maintenance are shared with the Visitor Center on a prorated basis.

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

PART ONE - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain

Historical restoration and preservation projects:

By their very nature, tours attract tourists to Bastrop and these tourists often support our downtown merchants and the hotel industry. Advertising and the quality of our tours promote new and repeat visitors. In addition, the Museum has a large number of exhibits along with a seasonal rotation of temporary exhibits. they learned about our tours and if they are staying overnight. In some cases, we work directly with hotels on specific events. This year we will fortify our relationship with local hotels to gain greater insight into the impact of our annual event on hotel occupancy.

We are currently meeting with a sampling of local hotels to determine additional innovative ways of tracking overnight stays in local lodging facilities. For example, BCHS would like to sponsor a raffle geared toward Holiday Home Tour ticket buyers. Raffle tickets will be attached to push cards that would be strategically placed in several hotels. Hotel guests presenting their raffle tickets either at the tour homes or the Museum and Visitor Center would be entered into a drawing for a gift souvenir. The promotion is intended to help identify overnight stays related to our event as well as promote both the hotels and museum. We will also include Bed and Breakfast owners in this effort.

Each year over 400 guests attend BCHS's Holiday Home Tour. In addition to numerous attendees for the Central Texas area, a guest book at one of the 2015 tour's homes recorded guests from cities such as Houston, Kingsville, Bonham, McAllen, Abilene, Frisco and Angleton and from the states of Utah, Colorado, Illinois, Georgia, North Carolina, Florida, Arkansas, Wisconsin, Iowa and Louisiana. This year, a guestbook will be available at each home on the Tour to capture names, zip codes, and accommodation information from those participating in the tour. Our goal is to determine the reach of our promotion efforts and effectiveness in drawing populations from outside of Bastrop to the area.

Tell us about your event or project: (cont...)

We typically work with the Convention Center Director, the Hyatt and other hotels to look for other opportunities to support conventioners or their spouses during their visits to Bastrop. In recent months, a relationship has been forged with the Hyatt Regency for the museum to be the drop-off site for a shuttle bus the Hyatt has instituted which runs every weekend to transport tourists from the Hyatt. These are just examples of the types of inquiries we have received since we have opened the doors of our new downtown facility.

Finally, BCHS's annual Holiday Homes Tour attracts local citizens and tourists to Bastrop. Historical research, tickets, news articles, signage, posters, a special website, paid staff, and more than 90 volunteers work together to promote Bastrop's history through our historic homes. On the day of the event alone, over 500 volunteer hours are logged. BCHS started this event in 1965 with its "Pilgrimage of Homes." Over the years many other local groups have added their own events and activities for that weekend, with the Holiday Homes Tour thus becoming the anchor for Christmas in the Lost Pines.

All promotional materials for the annual Holiday Homes Tour and other BCHS tours will include a link to the Visit Bastrop website with a message saying "For local accommodations check out the lodging listing on visitbastroptx.com".

Dear Taxpayer:

This is in response to your Apr. 21, 2010, request for information regarding your tax-exempt status.

Our records indicate that your organization was recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in September 1966.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(2).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Rita A. Leete

How will you measure the impact of your event on area hotel activity?

We will survey hotels following the event on Saturday, July 2, 2016 (application for FY2017 due prior to event). We can say for 2016, hotels are averaging \$109 weekend prior and bump to \$129 the weekend of Patriotic Festival in 2016.

Do your promotional materials/website note area lodging facilities that can host participants? yes

Tell us about your event or project:

The Bastrop Chamber of Commerce produces the Patriotic Festival annually on the Saturday closest to July 4th and has for nearly 30 years. The Chamber is working closely with the Downtown Business Alliance (DBA) and Main Street to cross promote First Fridays to make a weekend full of activities for families and tourists visiting Bastrop.

The Chamber contracts with Sky Wonder Pyrotechnics to do the most magnificent fireworks show in Central Texas for a community of this size. People come from near and far to avoid the traffic congestion of larger towns. While here, visitors shop our merchants and eat at our restaurants, visit the craft vendor booths, hear live music in the park including the Austin Symphonic Band, and enjoy some children's activities including the Pet 'n' Pal parade. In 2017 we plan to expand with a small carnival and add a shuttle service from the Convention Center parking lot to bring even more people to the park.

The Chamber handles all the media advertising and will be happy to collaborate with our new Destination Marketing Organization (DMO) for the best promotion possible for this beloved community event. We partner with the City of Bastrop Public Works, Bastrop Police Dept, Bastrop Fire Dept and the EMS Service to provide a fun, safe event for residents and visitors alike.

EVENT OR PROJECT INFORMATION
(COMPLETE A SEPARATE FORM FOR EACH EVENT)

Project Number
1.00 of 1.00

To qualify for financial assistance under the Hotel Occupancy Tax for Bastrop, the expenditure must satisfy Part One and at least ONE of the options in Part Two.

***PART ONE** - In order to be eligible to receive HOT Funding you must comply with State Law/Chapter 351 of the Tax Code. Revenues must be used to directly promote tourism and the convention and hotel industry. Which expenditure category from page 6 is most relevant to your project event? Please explain*

We believe this event attracts tourists since it is held on a weekend and close to a national holiday creating an opportunity for a long weekend get-a-way. We do advertising beginning 60 days out but since it has been in existence for nearly 30 years, people have it marked on their annual calendar. We do radio advertising spots with SunRadio and a live remote the day of the event. It is posted on our website which still tends to be where tourists look for information on events with the most comprehensive calendar in Bastrop. We utilize Facebook boost and print posters for all the downtown shops.

CITY OF BASTROP
2017 HOTEL OCCUPANCY TAX FUNDING APPLICATION

The information contained herein and attached to this application is true and correct to the best of my knowledge. I hereby acknowledge that any funding received from the City of Bastrop must be expended as I have represented in this application and according to any requirements set by the City of Bastrop City Council and according to the program guidelines. I agree that if funds are not expended accordingly, in the opinion of the City of Bastrop, said funds will be returned to the City of Bastrop within ten (10) days from the date the City of Bastrop demands such.

Sorry for the delay mayor here is what was discussed in legal review after our legal team who consulted with an attorney the handles estate planning, probate etc...

This email follows our earlier conversations regarding a proposed resolution presented to the City Council in May regarding a proposal by Mayor Kesselus and Richard Kesselus to transfer a 1.7 acre tract of land to the City for use as a small park. As stated in the proposed resolution, the Kesselus brothers would retain a life estate in the property until the last surviving brother's death and the City would arrange for the necessary legal documents to either convey the land to the city or to a conservancy.

JC's office contacted three well-respected firms that handle these types of hybrid estate/tax planning and conservancy issues. Each firm noted that the creation of a conservancy for a small tract of land would cost a minimum of between \$10,000 and \$15,000 of legal expense if there were no complicating factors that arose. The attorneys also stated that there would be very little tax planning benefit to the donor, consisting of a very small charitable donation credit. Finally, the attorneys we contacted questioned the retention of a life estate, which would normally only be utilized if there were a habitable residence on the property in question.

One firm recommended that the most straightforward and least expensive option would be for the property to be donated to the City either during the brothers' lifetime or through a specific provision in their estate planning documents.

Please let me know if you need anything else.

July 20, 2016

To the Bastrop City Council and City Manager,

Speaking on behalf of myself and my brother Ken, I want you to know how much we appreciate the consideration given by the council, staff, and parks board in regard to the offer we made to grant title to our property on Highway 95, commonly known as "Bald Knob," for use as a city park.

In light of the information provided by Mr. Job in regard to the high cost of making such a transaction, we understand that it is best for everyone that we withdraw our offer, and we hereby do so.

Again, we are grateful for the time all of you spent considering this.

Yours sincerely,

Richard K. Kesselus

- Another budget workshop will be held on July 11, 2016.
- The Board approved the sale of 903 Main Street.

PROCLAMATIONS**ANNOUNCEMENTS****A. Update on Comprehensive Plan Steering Committee – Kay Garcia McAnally**

Wesley Brandon provided Council with an update – Halff Associates has submitted Chapter 5 which talks about Land Use and Community and are making a few changes before sending it out to the Steering Committee. The next Steering Committee meeting is scheduled for July 13, 2016 at this meeting Chapter 5 will be discussed and the schedule for the remaining meetings will be set. Halff has also provided Chapter 7.

B. Update on process for choosing consultant for DMO process – Council Member Jones and City Manager

Council Member Jones – The committee which consists of Council Members Jones and McAnally, City Manager Talbot, Bill Ennis, Lee Harle and Mike Jokovich met last week and had a unanimous agreement on DMOPro and Young Strategies. The Committee would now like to have a public meeting possibly next week and the meeting will be posted and the two candidates will be Skyped

in rather than flown in. The panel will consist of the Committee members and the Committee will receive questions from the public.

Mike Talbot – He wanted to inform the public that the process used Requests for Qualifications because it was important that individuals that had experience in creating a DMO were selected. There was a total of five responses received. Both firms are qualified and both have had experience in Texas.

C. Process for providing information not in the council packet for the Mayor, Council Members, and City Manager at council meetings - Mayor Kesselus

- If the public has information that they would like distributed to Council try to get it to Council prior to the Council meeting day, via email, phone, regular mail and/or the City Secretary.
- If a citizen is not able to get information to Council prior to the meeting and feels it is of urgency and needs to be distributed to Council on the day of the meeting, the citizen should make a request of the City Secretary to do so.
- Anyone making a presentation or has the privilege of the floor and has not provided written information in the council packet but desires to distribute something may ask the presiding officer for permission to do so.

D. Distribution of Items to Council (If Necessary) – Ann Franklin

E. Items Targeted for Future Meetings.

Transition in City Leadership

Consideration, discussion and possible action regarding reassignments of City Manager, Mike Talbot and Public Safety Director, Steve Adcock.

Council Member McAnally made the motion to amend the agreement by striking the following sentence, seconded by Council Member Schiff. The motion passed on a vote of 5-0. The sentence to be struck should read, “The Council will relieve Mike from the health threatening stress he is experiencing by shifting his roll to a less stressful but immediately more effective and needed set of functions.”

Council Member Peterson made the motion to approve the amended agreement between City Manager, Mike Talbot and the City Council, seconded by Council Member Schiff. The motion was approved on a vote of 5-0. The following agreement was written and agreed to by the City Manager, Mike Talbot and Mayor Kesselus.

AGREEMENT BETWEEN CITY MANAGER, MIKE TALBOT AND THE CITY COUNCIL

The Bastrop City Council and Bastrop City Manager Mike Talbot agree on a transitional plan that takes into account a number of important factors that Mike mentioned in his letter of resignation and that the council finds essential to the well-being of the city.

The council appreciates Mike’s following through on his commitment to remain with the city for a significant amount of time after announcing his retirement.

In order to make the best use of Mike Talbot’s remaining months of full-time employment with the city, beginning on June 30, he will transition to the position of Senior Advisor. In this role, he will provide advice, information, and other forms of assistance to the council, the staff, and citizens at large.

Public Safety Director Steve Adcock will assume responsibility for day to day operations of the city in the position of acting city manager until the council employs an interim city manager. Mike has consistently turned to Steve as acting city manager when he has been out of town, and the council follows his assessment in making this appointment.

Mike's most important function during the following two months will be to provide the necessary support for the acting and interim city managers so that by the end of August, the manager will be able to work effectively with Mike no longer available for full time support.

In addition after August, Mike will graciously assist the City at no cost by answering questions, providing information, and giving advice regarding city operations.

PUBLIC HEARINGS, ORDINANCES, & OTHER ITEMS ELIGIBLE FOR CONSIDERATION AND/OR ACTION

- B.1 Conduct a public hearing/town hall discussion: the City Council will hold a public hearing and town hall discussion to receive public input from the citizens of the City Of Bastrop regarding the effects of the major storm event on the citizens, which occurred on May 26 & 27 2016 in the City Of Bastrop, including discussion of the flood conditions which occurred at residences and businesses in town.**

SPEAKERS

Fred Matella – Stated he was flooded out twice and stated his concern was with the pond. The City Manager stated the City is looking at a process to control the water flow during a heavy rain.

Jane Campos – Stated the flooding in her house was due to impervious cover by the City and Gills Branch needs to be cleaned out, holding ponds need drains in order for drainage to flow. She stated the electric bills will be impacted by the flood.

Thomas Jefferson – Stated his house and his son's house was flooded. The water flows down from businesses above his property. He requested that the City do something to prevent this from happening again. He stated that the water accumulates at the railroad tracks.

Richard Kindred – A moratorium on building on the north end of town that flows down to the south including the shelter (The shelter that is being discussed being built next to the retention pond.). He encouraged Council not to put drainage on the Bond Package. Mr. Kindred suggested to Council to look at how the Smithville City Manager found a way to avoid charging the citizens for the drainage.

Herb Goldsmith – Presented a slide show of drainage into Gills Branch. He stated what should have been done in 2001 was not addressed and that is why there are so many problems with Gills Branch.

Derek Mingelder - Stated that his house was flooded due to drainage ditches not being cleaned out properly.

Belinda Williams – Stated the City should financially compensate citizens whose property flooded due to the City's negligence.

Betty Peterson – Stated that the water is running off from Popeye's Chicken.

Pamela Aldridge – Stated that her family’s land is washing away. She asked for cement to be poured to stop the erosion.

Barbara Wood – Asked the City to dig a ditch in front of their house because there is no drainage on her side of the street and asked for a culvert.

Heather Wiley – Stated her house flooded six times since 2011. She stated her home has mold from flood.

Johnny Washington – Stated that FEMA told him today that they were not eligible for FEMA funds.

Esther Washington – Spoke in favor of Macedonia First Baptist Church. She stated that the second flooding came from Gills Branch and the holding tank in front of City Hall. Would like the Core Engineer to widen and deepen Gills Branch.

Bernetta Tolbert – Stated that her property has had a lot of water on her property the last two floods which caused her to not be able to get off of her property for approximately two days after the flooding.

Johnny Sanders – Spoke in favor of the City maintaining Gills Branch.

The public hearing was closed without objection.

B.2 Consideration, discussion and possible action regarding citizens input on item B.1 the impact on flood conditions that were experienced by citizens of Bastrop during the storm event that occurred in the City of Bastrop on May 26 and 27, 2016 as well as the “Gills Branch Drainage Basin” within the City Limits of the City of Bastrop.

The question was asked of the City Manager regarding a grant the City received to clean out Gills Branch how effective it was, whether it has grown back or not and will it be a continual maintenance that needs to be performed on a regular basis. The City Manager stated that with the amount of debris that was carried back into Gills Branch as a result of the rain the majority of the work done in 2015 has been voided out, the City will have to go back and clean out the debris that was previously cleaned out. The City Manager addressed the comment regarding the trees growing in Gills Branch, he stated the grant the City received to clean out Gills Branch was a FEMA grant and FEMA for bid any trees six inches or wider to be cut down in Gills Branch. Gills Branch is now scheduled to be cleaned out annually and this time will be more extensive due to the rain. The question was asked if there was a potential FEMA grant to do more cleaning. The City Manager replied the City just got additional funding to use from approximately HWY 71 to the Colorado River and upstream from this will be incorporated into the drainage work, there isn’t any more funding available.

Council Member Peterson made the motion to instruct the City Manager to get all of the permits needed from the Core of Engineering and any other entities involved in Gills Branch water way as soon as possible in order to get the cleanup done, seconded by Council Member McAnally. The motion was approved on a vote of 5-0.

The City Manager stated that as soon as the City receives the easements the work will begin.

Mayor Kesselus recessed the Council Meeting at 8:50 p.m.

Mayor Kesselus called the meeting back to order at 9:04 p.m.

CITIZEN COMMENTS

David Siler – Stated that he is the manager at Pecan Park and is available to meet with Council and the neighborhood to address any concerns.

Joe Grady Tuck – Congratulated the Council on curbing what he considers excessive expenditures on the legal fees and believes that it is in the purview of the Council. He made it clear that he has no criticism of Ms. Brown and is sure she has done a good job but for a city of 8,000 people \$1,000,000 per year for legal fees he thinks is imprudent.

Carlos Liriano – He thanked the Council; previous Council; City Manager, Mike Talbot; Director of Public Works and Parks, Trey Job; and the Bastrop Independent School District, the City and the school system came together to open the gym for open play. Mr. Liriano thanked the Council for making recreation a priority.

Council Member Schiff made the motion to have the City Manager get an appraisal and report back to Council as soon as possible, seconded by Council Member Jones. The motion was approved on a vote of 3-2. Mayor Pro Tem DeLaRosa and Council Member Jones voted nay. A request was made of the City Manager to go back to the original appraiser and reflect the current conditions onto the appraisal and report back to Council.

SPEAKERS

Herb Goldsmith – The 2011 report it recommended a completely different configuration of the river, it talked about the river loop etc. and that was going to be the meeting place that some people wanted along with the open space which is where people were going to gather. He stated that having it in the packet that it should not ever be used as an open space is kind of misleading because in reading the entire report the whole river area was going to be completely changed.

Conor McAnally – Stated that the council is not the only ones driving down the value of the property and if you are going to sell something you don’t announce that it is worthless. He

stated that the tax payer's money was spent on this property, \$265,000. He asked Council to please stop driving down the price of the property.

Richard Smarzik – Stated that he is next door to this property and it is his problem, the water leaks in and he feels that Shawn Kirkpatrick has come up with a great proposal. He suggested to Council that they get the appraisal find out the value and what it will take to get the property fixed and get it fixed.

Donna Cunningham – Stated that she feels Council is on the right path, get the property taken care of. She urged the Council to fix the property. She feels that the property should be open space.

Debbie Moore – Held her comments to a later date.

Carlos Liriano – Stated that he agrees that something needs to be done to the lot. He agrees with getting an appraisal and getting someone to tell the City how to fix it and get it done but is opposed to transferring this issue to the BEDC. He is opposed to the BEDC being involved.

D.6 Consideration, discussion and possible action on approval of a resolution regarding the replacement of the speed bumps on Alley A.

Council Member Peterson made the motion to direct the City Manager to obtain the cost of the replacement of the speed bumps on Alley A and report back to Council before school begins, seconded by Council Member Schiff. The motion passed on a vote of 3-0. The Mayor recused himself and Mayor Pro Tem DeLaRosa resided over this item. Council Member McAnally was off the dais.

D.8 Discussion, consideration and possible action to approve the Final Plat for Pecan Park Section 5B consisting of 43 residential lots, totaling +/-12.63 acres out of a +/- 311.302 acre tract out of the Mozea Rousseau Survey within the city limits of Bastrop, Texas located west of Perkins Street.

This item was withdrawn without objection.

D.9 Consideration, discussion and possible action concerning a presentation from the “Bastrop 1832 Farmers Market Organization” that the City Council reconsider the resolution passed on May 17, 2016 turning the City owned property adjacent to the City of Bastrop’s Convention Center back to the City of Bastrop and under the direction of the Main Street Program.

SPEAKERS

Charles Mattern – Provided a brief presentation. He described how the market has grown and that his produce is grown without chemicals. He stated that one of the objections that he has to the people against the 1832 Market is that most of them are not farmers that have produced crops. He is asking the Council to at least give the 1832 Market the Saturday market.

Delores Leeper – Stated the market has donated over 4,000 pounds of produce to the Bastrop Emergency Food Pantry over the past eight years. Asked the Council to grant the 1832 Farmers Market a Saturday Morning lease.

Diana Teinnerd – Stated that the members of the 1832 Farmers Market have put a lot of hard work into this market and that they are like a family, she asked the Council to allow the Market to keep the Saturday Market day.

Erika Bradshaw – Stated she and her husband have served this community for thirteen years providing fresh and local produce. She stated that they are proud of the 1832 Market and it belongs to the members and they want to keep it as such.

Robert Ficas – Stated that he and his family have been serving Bastrop for over 17 years with fresh and local produce and he is one of the founding members. He stated he would not join different market on this site. He requested that Council grant the 1832 Farmers Market a rental of the property.

Council Member Schiff made the following motion, seconded by Mayor Pro Tem DeLaRosa. The motion was approved on a 5-0 vote. The motion was to extend the lease to the 1832 Farmers Market for six months – Saturday from 8:00 a.m. to 3:00 p.m. and honoring any existing contracts in that space. During this time the Main Street Director will coordinate and develop a business plan with the intent of the 1832 Farmers Market and Main Street Director making the Farmers Market flourish,

D.10 Consideration, discussion and possible action regarding review of the Fy-17 Budget Calendar and setting additional City Council meeting dates.

This item was withdrawn without objection.

EXECUTIVE SESSION- WAS NOT HELD

E1. The Bastrop City Council met at 11:45 p.m. in a closed/executive session pursuant to the Texas Government Code, Chapter 551, *et seq.*, to discuss the following:

1. **SECTION 551.071(1)(A)(B) & SECTION 551.071(2)** – Consultation with Attorney(s) concerning: (1) potential, pending, threatened, and/or contemplated litigation, claims, and/or settlement/mediation, including (*but not limited to*) the following: municipal water supply, code enforcement matters, subdivision development, and or pending litigation matters concerning 909/ 911 Farm Street, and/or (2) matter upon which the Attorney(s) have a duty and/or responsibility pursuant to the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas to report to the governmental body, concerning these matters, and/or any other matters posted on the agenda.

Memo

To: Mayor, City Council and City Manager
From: Tracy Waldron, Chief Financial Officer
Date: July 18, 2016
Re: Reimbursement of Accrued Bastrop Marketing Corporation Expenses

Attached is the request from Bastrop Marketing Corporation (BMC) for payment of funds in accordance with the Tourism Marketing Agreement that was signed with the City of Bastrop in November 2003.

This request is for the time period of June 2016. There is a month lag in the receipt of the hotel occupancy tax monies.

It is recommended that Council approve the reimbursement of funds in the amount of \$100,898.02 for June 2016 to BMC in accordance with our agreement to be spent on advertising and marketing the City of Bastrop area. This amount represents 43% of the tax collections.

If you have any questions regarding this agreement please contact me at 512-332-8820.

GENERAL FUND REVENUE & EXPENDITURES AS OF JUNE 30, 2016

- ❑ Revenues will increase in December, January, and February due to collection of the Ad Valorem Taxes.
- ❑ Due to an audit adjustment that accrues our revenue into the period it was earned, the Sales Tax revenue earned in October and November are estimated.
- ❑ The Revenue spiked in May 2015 due to the transfer from BP&L of \$200,000 for the Comprehensive Plan and the donated land from BEDC of \$183,000 in-kind income
- ❑ FY2016 reflects a re-class of the overhead allocation from W&W, BP&L and Convention Center for Administrative Support. This use to come in as revenue but go to auditors adjustments, are being re-classed as a reduction of expense in each department. (This amounts to approximately \$85,500 a month)
- ❑ FY2016, March expenses reflect approved budget amendment to move \$625,000 out of General fund into Vehicle/Equip. Replacement fund, also 50% payment on new restrooms at Fisherman's Park

Exhibit A-1
Revised July 26, 2016 to Correct Scrivener's Errors

Piney Creek Bend Planned Development

A. Purpose and Intent

The Piney Creek Bend PD is composed of approximately 90.91 acres, as described in Exhibit D (Field Notes). The development of this property is planned as a high quality, residential community with multiple residential product types.

Piney Creek Bend has been designed to create a walkable, pedestrian friendly neighborhood. The contents of this PD further explain and illustrate the overall appearance and function desired for this community. A Land Use Plan (Exhibit B) and Conceptual Lot Layout (Exhibit C) are attached to illustrate the general community vision and design. The Conceptual Lot Layout depicts a mix of residential products and open space areas that are contemplated within the community. The final Development shall not exceed a total of 170 residential lots.

B. Land Use Plan and Conceptual Lot Layout

The Conceptual Lot Layout (Exhibit C) which will be limited to a total of 170 residential lots is a schematic development plan intended to visually convey the design intent for the Piney Creek Bend community. The design of the community is not final, and is subject to refinement during the Preliminary and Final platting stages. This PD zoning document does not constitute plat or site plan approval of the attached plan.

Piney Creek Bend is composed of two single-family detached products. The project will include a cohesive network of open spaces, including parks, storm-water detention areas [if necessary], floodplain and trail corridors. The open space and trails system combined with the sidewalk network will be critical in establishing a walkable community.

The intent for this development is to save as many of the existing trees as possible. On each lot where native trees are not present or preserved in the front yard, the builder will install (2) - 2" caliper trees and 10 shrubs in the front yard during the construction of each residential unit. [No additional trees are required to be planted on a lot if at least two (2) native trees with a minimum diameter of 4" measured 18" above finished grade are preserved on the lot.]

C. Applicability and Base Zoning

All aspects regarding the development of this PD shall comply with the City of Bastrop

Composite Zoning Ordinance, except as established in this exhibit, titled Exhibit A.

For the purpose of establishing development standards for the PD, base zoning districts have been selected from the Bastrop Composite Zoning Ordinance for the various residential products proposed within the PD.

- *For Lots 6,000 - 7,199 sf. - Urban 5*
- *For Lots 7,200 sf. and above - Suburban 6*

This PD allows the flexibility to mix the various residential products and define boundaries for each lot type during the platting process. Each plat submitted to the City will identify the type at the time of Final Plat submittal. In the case that this PD does not address a specific City requirement, the Bastrop Composite Zoning Ordinance shall apply. In the event of a conflict between this PD and the base-zoning district found in the Bastrop Composite Zoning Ordinance, the PD shall be the controlling document.

D. Residential Product Type Requirements

To ensure a variety and mix of residential product types within Piney Creek Bend, the following standards have been established:

1. Urban 5 (Single-Family Residential Detached) – 6,000 sf. lots
Minimum of 50 lots but no more than 60% of the total single-family lot count.
2. Suburban 6 (Single-Family Residential Detached) – 7,200 sf. lots
Minimum of 50 lots but no less than 40% of the single-family lot count.

Total residential lot layout shall not exceed 170 lots.

To allow architectural consistency with locally prevalent and regionally appropriate architectural styles, roof pitches lower than 4:12 will be allowed within the PD.

E. Lot Design Standards

Piney Creek Bend will include a mix of residential product types and sizes. The detached residential products have been broken into two categories based upon lot width and area. Detailed design standards are included within this PD as Table 1, and are based upon the type of residential product being constructed.

Table 1 Development Standards

	<i>(Proposed PD Zoning)</i> Urban 5 **	<i>(Proposed PD Zoning)</i> Suburban 6 ***	<i>(Bastrop Zoning Ordinance)</i> SF-7

* A maximum of 10% of the lots may be less than the required area due to the geometry of a cul-de-sac or other geographic feature.

** Corner lots shall be ten feet (10') wider to provide for the additional side setback.

** Minimum of 50 lots but no more than 60% of the total single-family lot count

*** Minimum of 50 lots but no less than 40% of the single-family lot count

F. Garage / Parking Standards

All garage and parking standards established in the City of Bastrop Code of Zoning Ordinances shall apply.

G. Fencing

All lots that back onto parks or floodplain areas shall utilize 6 foot, wrought iron or decorative tubular metal view fencing.

H. Flag Lots

In order to provide a legal lot for the detention ponds [if necessary] within the Piney Creek Bend subdivision, the minimum flag lot width shall be fifteen (15) feet. This provision shall not apply to residential lots.

I. Trails and Parkland

A substantial portion of the site will be dedicated as parkland/open space and development of the site will include a trail system tying back into the sidewalks creating a network of pedestrian ways within the community that can ultimately be connected to and become a critical link in the regional trail system envisioned by the City. A proposed Land Use Plan with a schematic layout of proposed trails is shown on attached Exhibit B. Parkland and Open Space will be a minimum of 25 acres.

J. Street Standards

Right-of-way dedication for all public streets shall conform to current City regulations at the time of platting. Street widths shall be a minimum of 26' (twenty-six feet) face-of-curb to face-of-curb within the Piney Creek Bend subdivision. Cul-de-sacs shall have a minimum radius of 50' (fifty feet).

K. Term, Expiration and Extension of the PD

The PD applicable to the Piney Creek Bend Development shall have a term of a maximum of ten (10) years ("Term"), at which time the PD shall automatically expire, without further notice or action by the City. However, in the event that the Developer has successfully completed a minimum of sixty percent (60%) of the

construction of the required infrastructure and completed construction of at least sixty (60%) of the residential structures in the Development, as shown on the Piney Creek Bend- Conceptual Lot Layout, Exhibit C final Site Plan for the Development that has been approved and accepted by the City, and if the Developer desires to continue development of the PD, on or before 120 days prior to the expiration date of the 10 year Term of the PD, the Developer must submit a written request for an extension of the Term of the PD to the City Manager, providing documentation of the progress made in the Development of the Piney Creek Bend Subdivision, to date, and requesting the City grant an extension to same, identifying the exact length of the extension sought. Upon receipt of the written request, the Director of Planning and Development and the City Manager will coordinate a hearing before the Council, at a regular agenda, at which time the Council will hear and take action on the Developer's requested extension to the Term of the Piney Creek Bend PD. Any extension granted will be noted in the minutes of the Council and appended to this PD as an amendment to this Ordinance.

ORDINANCE NO. 2016-02 R

Revised/Approved to Correct Scrivener's Errors JULY 26, 2016

AN ORDINANCE GRANTING A ZONE CHANGE FROM SF9, SINGLE FAMILY RESIDENTIAL-9 AND A/OS – AGRICULTURAL/OPEN SPACE TO PD, RESIDENTIAL PLANNED DEVELOPMENT FOR APPROXIMATELY 90.91 ACRES WITHIN A11 BASTROP TOWN TRACT, LOCATED NORTH OF THE RAILROAD TRACTS ON THE NORTHWEST CORNER OF RIVERWOOD/HAWTHORNE AND CARTER STREET WITHIN THE CITY LIMITS OF BASTROP, TEXAS AS PART OF THE PINEY CREEK BEND; SETTING OUT CONDITIONS AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, David Singleton, Southwest Land Services (hereinafter referred to as “Applicant”) submitted a request for a zone change from SF9, Single Family Residential and A/OS – Agricultural/Open Space to PD, Residential Planned Development for approximately 90.91 acres situated in the A11 Bastrop Town Tract, located north of the railroad tracks on the northwest corner of Riverwood/Hawthorne and Carter Street within the City limits of Bastrop, Texas, hereinafter referred to as “the Property”; and

WHEREAS, a copy of the Metes and Bounds Survey and location map is attached hereto as Exhibit “A” (the “Property”); and

WHEREAS, the Property is currently zoned as SF9, Single Family Residential and A/OS – Agricultural/Open Space; and

WHEREAS, pursuant to Section 10.4 of the City’s Zoning Ordinance, notice of the rezoning was given to all property owners located within two hundred (200) feet of the Property, and the Planning and Zoning Commission of the City of Bastrop held a public hearing on the rezoning request on December 3, 2015; and

WHEREAS, after notice and hearing, the Planning and Zoning Commission has recommended a PD, Residential Planned Development zoning designation for the Property, See Exhibit A-1, Exhibit B and Exhibit C; and

WHEREAS, pursuant to Section 10.4 of the City’s Zoning Ordinance, notice of the rezoning request was given as required by the Ordinance, and the City Council of the City of Bastrop held a public hearing on the rezoning on January 12, 2016 to consider the Applicant’s request to rezone the Property to PD, Residential Planned Development; and

WHEREAS, after consideration of public input received at the hearing, the information provided by the Applicant, and all other information presented, City Council finds that it is in the public interest to approve the rezoning of the Property, which is currently zoned as SF9,

Single Family Residential and A/OS – Agricultural/Open Space, to a new designation of PD, Residential Planned Development.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BASTROP THAT:

Part 1: The Property, situated in A11 Bastrop Town Tract, located north of the railroad tracks on the northwest corner of Riverwood/Hawthorne and Carter Street within the City limits of Bastrop, Texas, as more particularly shown and described on attachments Exhibit “A”, shall be and is hereby rezoned from its prior designation of SF9, Single Family Residential and A/OS – Agricultural/Open Space to a new zoning designation of PD, Residential Planned Development.

Part 2: This ordinance shall take effect upon passage and in accordance with the laws of the State of Texas.

Part 3: The Zoning Ordinance standards should be amended as follows:

Piney Creek Bend has been designed to create a walkable, pedestrian friendly neighborhood. The PD standards are shown in **Exhibit A-1**. The contents of this PD further explain and illustrate the overall appearance and function desired for this community. A Land Use Plan (**Exhibit B**) and Conceptual Lot Layout (**Exhibit C**) are attached to illustrate the general community vision and design. The Conceptual Lot Layout depicts a mix of residential products and open space areas that are contemplated within the community. The final Development shall not exceed a total of 170 residential lots.

BASTROP TRANSFORMER CABINET MURAL PROJECT
Bastrop Art in Public Places
City of Bastrop, Texas

Bastrop, Texas is a unique blend of old and new. Nestled on the banks of the Colorado River, in the heart of the Lost Pines region, the Bastrop historic district offers a delightful selection of shops, restaurants and inns. Nearby neighborhoods have over 100 historic homes, many beautifully restored. A Texas Main Street City since 2007, Bastrop was also named a Distinctive Destination in 2010 by the National Trust for Historic Preservation in recognition of the City's work to preserve its historic character, promote heritage tourism and extend its welcome. Bastrop is a designated Cultural Arts District by the Texas Art Commission.

The Bastrop Transformer Cabinet Mural Project is a program of the Bastrop Art in Public Places Task Force and the City of Bastrop. It is an outdoor visual arts exhibition located in heavy pedestrian walkways in historic downtown Bastrop that utilizes the transformer and switchgear cabinets as canvases for creative murals. This highly visible and accessible exhibit will contribute to the cultural arts district and existing art destinations not only for the residents of Bastrop County and Central Texas, but to draw new visitors to the area. Viewers will have an opportunity to appreciate and be inspired by the variety, artistry and creativity unique to this exhibition. Original mural design submissions are selected through the juried process and are expected to have a lifespan of no less than three years. The murals will vary in theme and size with smaller cabinets approximately 3'W x 3'D x 2'H and larger cabinets 4'W x 4'D x 5'H or 7'W x 2'D x 3'H.

2016/2017 Call for Entries

You are invited to submit your transformer cabinet mural design with regard to the following criteria:

1. The call is open to all artists without geographic distinctions or restrictions, however, artists must be 18 years or older. Each artist may submit up to three designs.
2. Artwork must be an original representational or abstract design that is appropriate for the urban context, location and audience. Dark color pallets are limited to the cabinet base and are to be used sparingly in the main design due to heat retention issues on the transformers. Artists will be required to adjust designs to the cabinet size they are assigned. If a significant adjustment in the design is required to accommodate the size of the cabinet or unforeseen obstructions, the artist will in advance of painting gain the approval of the BAIPP sub-committee.
3. Each selected artist will receive a \$500 stipend upon completion of each Transformer Cabinet Mural. Artists will be reimbursed for materials up to \$400 per transformer cabinet; however, any expenses for supplies over \$400 will not be reimbursed.
4. The BAIPP will contract with artists for up to eight transformer cabinet murals. Selection will be done by a blind jurying process by a pool of jurors chosen by BAIPP. One thousand dollars (\$1,000) in cash prizes will be awarded.

5. All artists selected to paint a transformer cabinet will be required to sign a city vendor form, an artist's agreement with the City of Bastrop and will receive a list of acceptable industrial paint specs of pre-approved paints. A copy of the artist's agreement is available upon request.

6. Artists are required to submit a resume in addition to the design proposal. In addition to the basic contact information and description of the mural design, artist will submit a fully rendered schematic representation of their design on a mounted board no less than 20" x 30". A schematic representation of a transformer cabinet is provided below. Please note that the quality and adhering to specifications can influence the jury process. Deliver mounted design to the Art Connections at 908 Main Street in c/o BAIPP. For questions contact Kathryn Nash at 713-446-2343.

BASTROP DOWNTOWN 2017 SCULPTURE PROJECT

Bastrop Art in Public Places

City of Bastrop, Texas

Bastrop, Texas is a unique blend of old and new. Nestled on the banks of the Colorado River, in the heart of the Lost Pines region, the Bastrop historic district offers a delightful selection of shops, restaurants and inns. Nearby neighborhoods have over 100 historic homes, many beautifully restored. A Texas Main Street City since 2007, Bastrop was also named a Distinctive Destination in 2010 by the National Trust for Historic Preservation in recognition of the City's work to preserve its historic character, promote heritage tourism and extend its welcome. Bastrop is a designated Cultural Arts District by the Texas Art Commission.

The Bastrop Downtown 2017 Sculpture Project ("Sculpture Project") is an annual program of the Bastrop Art in Public Places Task Force and the City of Bastrop. The 2016 Sculpture Project is the second time the City has produced such an outdoor visual arts exhibition. This highly visible and accessible sculptural exhibition will serve as an art destination for the residents of Bastrop County and Central Texas, as well as, visitors to the area. Viewers will have an opportunity to appreciate and be inspired by the variety, artistry and creativity unique to this exhibition. Sculptures submitted are selected through the juried process and will be installed throughout the historic downtown Bastrop corridor for one full year. The sculptures will vary in theme, construction and materials and may be on sale while on loan.

The winning sculptures will be presented at a 'Sculpture Stroll' with the date yet to be determined. An awards ceremony will follow.

2017 Call for Entries

You are invited to submit your work to be displayed for the year-long public exhibit that showcases large scale, outdoor sculptures. *The following criteria are required:*

1. The call is open to all artists without geographic distinctions or restrictions. A sculpture currently owned by an individual other than the artist may be submitted by the owner ("Owner"), along with a certification of authenticity from the artist.
2. Large scale sculptures can either be secured on a 3' wide X 3' deep X 6" tall pad or be of a free standing nature with no pad required. Sculptures are required to be durable to withstand exposure to the elements for one year. Interactive sculptures with sound, lights, or movements are admissible, however, electricity will not be provided therefore an alternative power source is required.
3. The sculpture may be identified by the Artist/Owner as being 'for sale'. In the event that a sculpture is purchased during the exhibit year, the Artist/Owner is requested to keep the sculpture in place until the expiration date established in March of 2018. If the sculpture is removed, the Artist/Owner providing the sculpture will install the same or a new sculpture subject to the committee approval and at that individual's expense.
4. Each artist may submit up to three works. Jurying is based on the originality and creativity of the sculpture, as well as, its safety, durability, and suitability for an outdoor public exhibit. A \$300 stipend per each accepted artist's sculpture will be issued for delivery, set up, and removal of sculptures. Insurance is provided.
5. A high resolution digital photograph of at least 300 dpi and 5x7 size is required to be juried, as well as, for marketing collateral. Please note that the quality of the photograph can influence the jury process. Send all photos, including an artist's photo by email. Submit applications by email with digital photos to baippcalltoartists@gmail.com or mail to BAIPP c/o Deborah Johnson, 908 Main Street, Bastrop, TX 78602 with photos on a CD or flash drive.
6. Pending City Council approval of the selected artist exhibitors, the BAIPP will install up to

twelve (12) sculptures. Selection will be done by a blind jurying process by a pool of jurors chosen by BAIPP. The judging for awards will be done after the installation of the sculptures by another panel of jurors. Prizes will be \$1500 for "Gold", \$1000 for "Silver" and \$500 for "Bronze". The remaining artists who were selected will receive Honorable Mention and \$200.

7. Pending available funds, and approval by the City, BAIPP may purchase one or more sculptures to be added to the City's permanent collection.

8. Participating artists will meet with a BAIPP representative and City staff in Bastrop by appointment tentatively in mid-March of 2017, to install their sculpture. The sculpture must have steel tabs or plates attached to the bottom for purposes of bolting to a secure concrete slab unless the sculpture is freestanding and large enough to not require bolting to a pad for security. Installation is the artist's responsibility but BAIPP and City staff will provide assistance. Insurance against damage, theft and the elements will be the responsibility of the City of Bastrop.

9. All artists selected to exhibit a sculpture will be required to sign an Artist's Agreement with the City of Bastrop that will detail the rights and responsibilities of all parties related to staging, installation, security, materials, liability and removal, etc.

Project Description:

Discussion, consideration and possible action to approve the Final Plat for Pecan Park Section 5B consisting of 43 residential lots, totaling +/-12.63 acres out of a +/- 311.302-acre tract out of the Mozea Rousseau Survey within the city limits of Bastrop, Texas located west of Perkins Street.

Item Summary:

Owner: Duke McDowell, DM Pecan Park Associates, LTD
Applicant/Agent: Lynn Alderson, PE, Alderson Group, Inc.
Location: Located west of Perkins Street in the city limits
Utilities: Bluebonnet electric, City of Bastrop water and sewer

Background: This is the Final Plat for 43 residential lots and 3 common areas. The Preliminary Plat for Sections 5A and 5B was approved by City Council on November 12, 2014. This property is part of a development agreement between DM Pecan Park and the City of Bastrop approved by City Council in November, 2013. This Final Plat represents the second phase within Section 5.

Basis of Support: Staff supports the Final Plat of Pecan Park Section 5B. The plat appears to meet all other subdivision, zoning, and development agreement requirements.

Special Considerations: None.

Comments: Twenty-eight (28) adjacent property owner notifications were mailed July 18, 2016. No responses have been received. Any responses received after the preparation of this staff report will be handed out at the City Council meeting.

Previously, twenty-eight (28) adjacent property owner notifications were mailed June 16, 2016 for the June 28, 2016 City Council meeting. Seven responses in opposition were received and are included with this staff report.

Staff Recommendation: Staff recommends approval of the requested Final Plat for Pecan Park Section 5B consisting of 43 residential lots, totaling +/-12.63 acres out of a +/- 311.302-acre tract out of the Mozea Rousseau Survey within the city limits of Bastrop, Texas located south of Highway 71 West. Staff further recommends approval to enforce a construction schedule that prioritizes drainage improvements as indicated on the construction plans.

RE: Pecan Park: Residential –Final Plat Section 5B
Bastrop, Texas
AG Job No. 1314-01

Dear Mr. Brandon:

As requested from your office, the following is a clarification regarding Pecan Park Residential Section 5B proposed drainage in regards to discharge to Perkins Street Right-of-Way (ROW).

Existing drainage patterns were analyzed to establish a base conditions for comparison to proposed drainage plans for the subdivision. Three drainage areas were identified as specific study points where the subject tract currently discharges onto the Perkins Street ROW. Approximately 21.5 total acres currently discharge from the Pecan Park development onto the Perkins Street ROW.

Drainage patterns per the proposed Pecan Park Residential Section 5B subdivision construction plans will decrease the area discharging storm water to Perkins Street ROW from 21.5 acres to 8.3. Each of the three study points from the existing drainage study were analyzed to determine ultimate flows for the proposed development. For each of the studied storm events (2, 5, ,10 ,25 and 100-year storm events,) ultimate discharge was shown to decreased from original conditions. Overall discharge from Pecan Park to Perkins Street ROW will be reduced from 43 cubic feet per second (csf) for the 100-year storm event to 19 cfs for the proposed 100-year storm event.

The proposed Pecan Park Residential Section 5B subdivision drainage will not increase storm water runoff to the Perkins Street ROW and will cause no adverse impact to properties located along Perkins Street ROW.

Please feel free to contact our office should you have any questions or need additional information.

Sincerely,

Lynn Alderson, P.E.
Principal

City Council
City of Bastrop
Bastrop, TX

Honorable Mayor, City Council Members and City Staff:

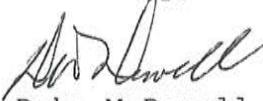

Section 5B of Rivers Bend at Pecan Park is before the council for Final Plat approval. DM Pecan Park and Associates, Ltd. is aware of neighborhood concerns relative to drainage from its property and we want to address these concerns.

The information we have from our civil engineer is that he has considered and designed improvements that account for historical and future drainage flows that exit the property. Of significant importance- our engineer tells us that once all improvements have been completed, the historical off-site flows will actually be reduced.

DM Pecan Park will use its best efforts to assure our site contractor adheres to the approved erosion control plans and routinely maintains these measures so that siltation and debris leaving the site are kept in check during development.

We appreciate our neighbors and will do all we can to ensure they are not negatively impacted during development. We appreciate the City Council's consideration of these assurances and hope for a positive vote.

Sincerely,

Duke McDowell
DM Pecan Park & Associates, Ltd.

Agenda Information Sheet:

City Council Meeting Date:

July 26, 2016

1st Reading:

Amendment to the Zoning Ordinance, A-3, Definitions.

- Section A-3 Definitions to update the definitions for 270.1 Tattoo, to reference Dermapigmentation (permanent makeup) as an allowable incidental/accessory use in definition # 75 Custom Personal Service Shop definition and to add new definition 77.1 Dermapigmentation (Permanent Makeup) as a definition.
-

This item was considered at the June 14 and June 28 City Council meeting. This item is being revised to clarify the definitions to allow permanent makeup as an accessory use to Custom Personal Service Shop (Hair Salon). Public Hearings were at the June 14 and June 28 City Council meetings.

- **This “dermapigmentation” (permanent makeup) would be allowed as an accessory use to a Barber Shop/Hair Salon which is currently allowed in the Office, Neighborhood Services, General Retail, C-1, and C-2 Zoning Classifications. It would also be allowed the commercial area known as the Central Business District downtown in FBC designations/character zones (Historic Main Street, Downtown Mixed Use, Civic/Cultural Arts, and Commercial Mixed Use)**

As currently proposed there is no distance requirements (residential, church, public park, playground, daycare center or school) proposed as part of these definition changes.

Item Summary:

The City's zoning code limits tattoo or tattoo studios to the industrial zoning classification with a Conditional Use Permit (CUP). Tattooing is regulated by the State and must get a State License. We have had requests to have “makeup” tattoos as an accessory use to the “Barber shop/Hair Salon” primary use. “Permanent makeup” includes eyeliner, eyebrows, lip liner etc.

DERMAPIGMENTATION (a/k/a PERMANENT MAKEUP) means the application of permanent pigments as a means of placing colored inks on the outer layers of skin solely for medical and cosmetic purposes such as: (a) the use of flesh toned pigments to cover or reduce the appearance of scars, surgical incisions and white spots caused by medical conditions such as vitiligo, (b) the use of pigments to simulate lost or non-growing facial hair including eye brows, eyelashes, and side burns, caused by genetic conditions, chemotherapy or medical conditions such as alopecia, and (c) the application of colored inks to simulate facial cosmetics such as eyeliner, eye shadows, lip color and lip liner. Dermapigmentation, as used in this Code, does not include the type of tattooing or ink/skin application that has historically and traditionally been done to produce or depict decorative skin designs, letters, words, images, symbols, artwork, in general on all parts of the body.

Currently, our code will need to be amended to allow this as an accessory use to existing proposed barber shop/hair salon.

Background:

These code amendment changes are a result of discussions among staff and Planning and Zoning Commission. After presentations from potential business owners, this change would allow permanent makeup as an accessory use. This was discussed at a Workshop with the Planning and Zoning Commission on March

31, 2016.

*****Underline is the additional information added.

Code Amendments:

A-3 DEFINITIONS

75. *CUSTOM PERSONAL SERVICE SHOP* - Tailor, dressmaker, shoe shop, barber shop, beauty shop or similar shop offering custom service. Other services such as dermapigmentation, (a/k/a permanent makeup) may be offered as an accessory/incidental use to primary use.
- 77.1 DERMAPIGMENTATION (a/k/a PERMANENT MAKEUP) means the application of permanent pigments as a means of placing colored inks on the outer layers of skin solely for medical and cosmetic purposes such as: (a) the use of flesh toned pigments to cover or reduce the appearance of scars, surgical incisions and white spots caused by medical conditions such as vitiligo, (b) the use of pigments to simulate lost or non-growing facial hair including eye brows, eyelashes, and side burns, caused by genetic conditions, chemotherapy or medical conditions such as alopecia, and (c) the application of colored inks to simulate facial cosmetics such as eyeliner, eye shadows, lip color and lip liner. Dermapigmentation, as used in this Code, does not include the type of tattooing or ink/skin application that has historically and traditionally been done to produce or depict decorative skin designs, letters, words, images, symbols, artwork, in general on all parts of the body.
- 270.1 TATTOO means the practice of producing an indelible mark or figure on the human body by scarring or inserting pigment under the skin using needles, scalpels, or other related equipment. Tattooing, as that term is used in this Code, refers to the type of application of pigments to the skin on parts of the body that is decorative in nature and generally depicts designs chosen by the person being tattooed for the purpose of pure adornment, such as letters, symbols, words, images, artwork, which may be located on all parts of the body. As used in this Code, it is not inclusive of the practice of dermapigmentation, which is a cosmetic practice that is separately defined and zoned by the City and this Code.

Staff Recommendation: Staff recommends the above changes to Zoning Ordinance

Planning and Zoning Commission Recommendation:

The Planning and Zoning Commission conducted a public hearing May 26, 2016 and unanimously voted six (6) in favor to recommend approval of changes to the Zoning Ordinance, A-3 Definitions.

Amendment to the Definitions of Custom Personal Service Shop and Tattoo and add Definition for Dermapigmentation (a/k/a permanent makeup)

- Current Code and Ordinance includes definitions for Tattoo and Custom Personal Service Shop.
 - Changes will allow dermapigmentation or permanent makeup to as an accessory/incidental use to the primary use for personal services such as barber shop/hair salon.
- Tattooing is regulated by the State and must get a State License. These changes would allow permanent makeup (tattoo license) to be allowed as an accessory use in barber shop/hair salon definition
- Barber Shop/Hair Salon is allowed in the Office, Neighborhood Services, General Retail, C-1, and C-2 Zoning Classifications. It would also be allowed within the Central Business District downtown FBC designations/character zones (Historic Main Street, Downtown Mixed Use, Civic/Cultural Arts, and Commercial Mixed Use

Comparison of Current vs. Proposed Ordinance

Current:

- Tattoo definition does not reference dermapigmentation/permanent makeup.
- Customer Personal Service Shop does not address permanent makeup as an allowed accessory use.
- No definition currently for dermapigmentation (a/k/a permanent makeup)

Amendment Will Allow:

- Tattoo definition (270.1) will be revised to highlight that Secondary services such as dermapigmentation, or permanent makeup may be offered as an accessory/incidental use to primary use of a Custom Personal Service Shop.
- Custom Personal Service Shop definition (75) will be revised to highlight other services such as dermapigmentation, or permanent makeup may be offered as an accessory/incidental use to primary use.
- Dermapigmentation (a/k/a permanent makeup) (77.1) will be added as a new definition to the code
- The changes in definitions only allow “permanent makeup” an accessory use, not full tattooing services.

ORDINANCE NO. 2016- 15

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS AMENDING DEFINITIONS #75 AND #270.1 AND ADDING A NEW DEFINITION #77.1 IN APPENDIX A-3 IN CHAPTER 14 OF THE CITY OF BASTROP ZONING ORDINANCE FOR THE TERM “CUSTOM PERSONAL SERVICE SHOPS TO INCLUDE DERMAPIGMENTATION SERVICES AS ACCESSORY USE TO BARBER/BEAUTY SHOP USES AND ADD DEFINITION OF DERMAPIGMENTATION (a/k/a PERMANENT MAKEUP); PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, on March 31, 2016, the Planning and Zoning Commission held a Workshop to consider whether to recommend certain changes be made to the City’s Zoning Ordinance with reference to: the amendment of an existing zoning code definitions to allow the practice of applying dermapigmentation (which is also commonly referred to as “permanent makeup”) to be considered an ‘accessory use’ to the primary use of Barber Shops/Hair Salons which are allowed to be located in Office, Neighborhood Service, General Retail, Commercial -1, Commercial -2 Districts as well as within the Central Business District downtown FBC designations/character zones (Historic Main Street, Downtown Mixed Use, Civic/Cultural Arts, and Commercial Mixed Use); and

WHEREAS, on May 26, 2016, after proper notice and pursuant to the procedures set forth in the City’s Zoning Ordinance, the Planning and Zoning Commission held a public hearing to consider the nature and performance of the proposed uses and changes to the Zoning Code, and its compatibility with the uses permitted in the various districts to allow dermapigmentation as an accessory use in Barber Shops/Hair Salons and, accordingly, after such hearing determined that such uses should be allowed and that it would make a recommendation to the City council as to which zoning districts dermapigmentation, as an accessory use to Barber shops and Hair Salons, should be permitted; and

WHEREAS, on May 26, 2016, the Bastrop Planning and Zoning Commission convened and considered the input provided by the participants at the Public Hearing concerning the various amendments to the Zoning Code, as noted herein above, and determined that it is in the best interest of orderly planning and development of the City of Bastrop, that the City of Bastrop Zoning Ordinance be amended to recommend the changes noted herein below, related to zoning for dermapigmentation operations and, therefore, recommends the amendments as noted below for the consideration and possible approval of the City Council; and

WHEREAS, on June 14, 2016, the City Council convened at a regular meeting and after considering the information from Staff, the input provided from the Public Hearing and the recommendation of the members of the Planning and Zoning Commission; and

WHEREAS, the City Council asked for additional information regarding the changes in the code and for the item to be reconsidered at a future City Council meeting; and

WHEREAS, on June 28, 2016, the City Council convened at a regular meeting and after considering the information from Staff, the input provided form the Public Hearing and the

recommendation of the members of the Planning and Zoning Commission, have found and requested additional clarification of the definitions; and

WHEREAS, on July 26, 2016, the City Council has again convened at a regular meeting and after considering the additional definition provided related to dermapigmentation and information from Staff related to same, and distinguishing dermapigmentation from the practice of tattooing, in general, have found and determined that the amendments noted herein below to the City's Zoning Ordinance are in the best interest of the general welfare, health and safety of the citizens of the City of Bastrop.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BASTROP THAT:

PART 1: That A-3 DEFINITIONS to the City's Zoning Ordinance be amended as follows:

A-3 DEFINITIONS

75. *CUSTOM PERSONAL SERVICE SHOP* - Tailor, dressmaker, shoe shop, barber shop, beauty shop or similar shop offering custom service. Other services such as dermapigmentation, (a/k/a permanent makeup) may be offered as an accessory/incidental use to primary use.

77.1 DERMAPIGMENTATION (a/k/a PERMANENT MAKEUP) means the application of permanent pigments as a means of placing colored inks on the outer layers of skin solely for medical and cosmetic purposes such as: (a) the use of flesh toned pigments to cover or reduce the appearance of scars, surgical incisions and white spots caused by medical conditions such as vitiligo, (b) the use of pigments to simulate lost or non-growing facial hair including eye brows, eyelashes, and side burns, caused by genetic conditions, chemotherapy or medical conditions such as alopecia, and (c) the application of colored inks to simulate facial cosmetics such as eyeliner, eye shadows, lip color and lip liner. Dermapigmentation, as used in this Code, does not include the type of tattooing or ink/skin application that has historically and traditionally been done to produce or depict decorative skin designs, letters, words, images, symbols, artwork, in general on all parts of the body.

270.1 TATTOO means the practice of producing an indelible mark or figure on the human body by scarring or inserting pigment under the skin using needles, scalpels, or other related equipment. Tattooing, as that term is used in this Code, refers to the type of application of pigments to the skin on parts of the body that is decorative in nature and generally depicts designs chosen by the person being tattooed for the purpose of pure adornment, such as letters, symbols, words, images, artwork, which may be located on all parts of the body. As used in this Code, it is not inclusive of the practice of dermapigmentation, which is a cosmetic practice that is separately defined and zoned by the City and this Code.

PART 2: That if any provision of this Ordinance or application thereof to any person or circumstance shall be held invalid, such invalidity shall not affect the other provisions, or application thereof, of this ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are hereby declared to be severable.

PART 3: That any provisions of the Bastrop City Code and any ordinances in conflict with this ordinance are, to the extent of any such conflict, hereby repealed.

PART 4: That this Ordinance shall take effect upon the date of final passage noted below, or when all applicable hearing and publication requirements, if any, are satisfied in accordance with the City's Charter, Code of Ordinances, and the laws of State of Texas.

ORDINANCE NO. 2016 - 16

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS, AMENDING CITY CODE, CHAPTER 7, ARTICLE 7.01, SECTION 7.01.10, RELATED TO MUNICIPAL COURT PROSECUTIONS BY CITY ATTORNEY(S); CHAPTER 9, ARTICLE 9.04, RELATED TO APPOINTMENT AND POWERS AND DUTIES OF THE CITY ATTORNEY; AND CHAPTER 11, ARTICLE 11.04, SECTION 11.04.008, RELATED TO CITY ATTORNEY'S AUTHORITY TO BRING SUIT TO COLLECT THE TAX IMPOSED BY THE CITY; REPEALING CONFLICTING ORDINANCES; INCLUDING A SEVERABILITY CLAUSE; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, pursuant to its authority granted by the State of Texas, the City Council, acting in the best interest of the financial status of the City, has determined that a revision to the City's Code of Ordinances should be made, as set forth below.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS THAT:

Part 1: Article 7, Municipal court, Chapter 7.01, Section 7.01.010, entitled "Prosecutions generally," is hereby amended as follows:

Section 7.01.010 Prosecutions, generally; prosecutions by county attorney.

- (a) All prosecutions in the municipal court shall be conducted by the city attorney or, as appropriate, by an appointed assistant city attorney.

(No change to subsections b-c)

Part 2: Article 9.04 'City Attorney', Chapter 9, Section 9.04.003, entitled "Appointment," is hereby amended as follows:

Sec. 9.04.003 - Appointment.

- (a) The City Council shall appoint the city attorney and assistant city attorneys, who will undertake the various duties noted in section 9.04.005, as designated by the City Council.

- (b) The city attorney will supervise and provide oversight of any legal matter assigned to special appointed assistant city attorney(s) and City employed

paralegal, if any, including but not limited to overseeing billing and progress being made by the appointed assistant city attorney(s) and City employed paralegal, if any, on the matters that have been assigned to the special assistant city attorneys and the City employed paralegal.

Part 3: Article 9.04 'City Attorney', Chapter 9, Section 9.04.005, entitled "Powers and duties," is hereby amended as follows:
Sec. 9.04.005 - Powers and duties.

(a) The city attorney, or as appropriate, an appointed assistant city attorney, shall, at the direction of the city manager:

- (1) Attend the municipal court and conduct all prosecutions brought in the court.
- (2) Take affidavits against any person charged with violating any of the ordinances of the city and prepare and draw up all complaints against persons so charged.
- (3) Draft all ordinances passed by the Council when requested to do so.
- (4) Draw up or review all contracts to which the city may be a party.
- (5) Represent the city in all suits filed by or against the city.
- (6) Institute suits on behalf of the city whenever in his opinion such proceedings are necessary to protect the rights or interests of the city.

(b) The city attorney, or as appropriate, an appointed assistant city attorney, shall, at the direction of both the city manager and the mayor:

- (1) Attend meetings of the City Council and, upon request of the Council or any member thereof, pass upon all questions of law relating to any business upon consideration by the Council.

Part 3: Article 11, Taxation, Chapter 11.04, Section 11.04.008, entitled "Additional authorization to bring suit for violations," is hereby amended as follows:

Sec. 11.04.008 - Additional authorization to bring suit for violations.

The city attorney or as appropriate, an appointed assistant city attorney, is hereby authorized to bring suit against any person required to collect the tax imposed hereby and required to pay the collection over to the city and who has failed to file a report, or filed a false report, or failed to pay the tax when due, at the direction of the city manager and concurrence of the Council, when necessary. Such suit may seek to collect such tax not paid or to enjoin such person from operating a hotel in the city until the tax is paid or the report is filed, or both, as applicable and as provided in the injunction.

Part 4: All ordinances, or parts of ordinances in conflict with this Ordinance are hereby repealed, and are no longer of any force and effect.

Part 5: If any provision of this Ordinance shall be held invalid, such invalidity shall not affect the other provisions, or application thereof, of this Ordinance adopted hereby which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are hereby declared to be severable.

Part 6: The Ordinance shall take effect immediately after passage noted below in accordance with the City's Charter and the laws of the State of Texas.
