

## Library Board Work Plan FY 2024

The Library Advisory Board defines success as: Supporting the Library Director to accomplish the goals of the library's strategic plan.

### Board Goals:

1. Review, revise, and approve at least 2 library policies per year in order to create an inclusive, customer friendly organization that is responsive to the needs of the community.
2. Advocate for and educate the public about the library through volunteering opportunities, community events, appearance at public meetings and other activities. Through these activities, the board will engage with the community and bring suggestions, comments and/or concerns to the library director.
3. Work with the library director to develop strategic direction for the organization by formulating goals, defining priorities, and periodically assessing goal progress.

### Action Plan:

1. Goal #1 will be accomplished as follows:
  - a. The library director will determine policies to be reviewed or revised according to the priorities from the strategic plan and the policy review schedule.
  - b. The policy review schedule will be given to the library board at the beginning of each fiscal year and may be amended if needed.
  - c. Policies will be given to the board for review and discussion. If it is determined to meet the criteria of the strategic plan and the mission of the library the board will approve the document.
  - d. The document will be presented to City Council for approval if changes have been made to the policy.
2. Goal #2 will be accomplished as follows:
