MEETING DATE: March 22, 2022 AGENDA ITEM: 9A

#### TITLE:

Receive presentation on the unaudited Monthly Financial Report for the period ending February 28, 2022.

#### **AGENDA ITEM SUBMITTED BY:**

Tracy Waldron, Chief Financial Officer

#### **BACKGROUND/HISTORY:**

The Chief Financial Officer provides the City Council a monthly financial report overview for all funds to include detailed analysis for General Fund, Water-Wastewater Fund, Bastrop Power & Light and the HOT Tax Fund.

#### REVENUE

General Fund exceeded the forecast by 5%

- Sales tax is 12.4% above forecast and 17.6% over same period prior year
- Development fees are 18% above forecast
- The are other categories that are below forecast specifically court fines and interest

Debt Service shows a slight negative and this is due to timing of property tax receipts

<u>Capital Bond Projects</u> reflects the bond issuance that closed in February – this is included in the budget amendment on this agenda.

<u>Impact Fee Fund</u> is in negative status – the revenue projections were based on the timing of specific developments paying into this fund – these developments are behind the projected schedule causing the fund to be short of forecast.

<u>Hotel Occupancy Tax Fund</u> – This page was updated this month to change the reporting from accrual to cash. The accrual method was skewing the forecast to actual. The forecast and actual columns were updated.

All other funds are performing positive to forecast.

#### **EXPENDITURES**

All funds are positive to forecast amounts.

This reporting requirement is set forth by the City of Bastrop Financial Management Policies, Chapter IV. Operating Budget, Section D. Reporting, as adopted by Resolution R-2021-80 on August 24, 2021.

**TITLE:** Receive presentation on Cultural Arts Commission Year 1 and Year 2 Work Plan and provide feedback as appropriate.

#### STAFF REPRESENTATIVE:

Rebecca Gleason, Assistant City Manager

#### **BACKGROUND/HISTORY:**

In December of 2017, a Joint Workshop was held between the City Council and the Bastrop Art in Public Places (BAIPP) Board. After discussion, the City Council affirmed that BAIPP was the appropriate board to oversee the development of a Cultural Arts Master Plan (CAMP). In March of 2018, a contract was signed between the City of Bastrop and Go Collaborative to develop the CAMP. In September of 2019, the Bastrop City Council accepted the final Cultural Arts Master Plan as presented from the BAIPP Chair, Ed Skarnulis. The Cultural Arts Master Plan Ad Hoc Working Group was created by Council in February of 2020 and assigned with the task of making recommendations to the City Council regarding the approach to implementation of the plan. The Cultural Arts Master Plan Ad Hoc Working Group has drafted a Themes, Values, & Priorities document (attached as Exhibit A) and made distinct recommendations to the Bastrop City Council regarding the creation of a Cultural Arts Commission, decommissioning of the Bastrop Arts in Public Places board, and adopting the priorities as set forth by the working group. The Cultural Arts Commission was formally created by the City Council in February of 2021 with the appointment of the inaugural seven members.

The CAMP outlined four major components as outlined below to move Bastrop forward as a cultural arts destination.

- Place Competitiveness
- Creative Placemaking
- Creative Economy
- Cultural Inclusion

Over the last year, the Cultural Arts Commission worked diligently on the creation of a Work Plan for Years 1 and 2 of its existence to meet the intent of its adopted Themes, Values & Priorities while following the direction of the Cultural Arts Master Plan. The draft Work Plan is attached and focuses heavily on collaborating with existing networks and partnerships to leverage the hard work being done by groups across the City toward creating and promoting Cultural Arts.

#### **FUNDING SOURCE:**

Budget as already allocated during the Fiscal Year 2022 Budget to Bastrop Art in Public Places from the Hotel Occupancy Funds (HOT). Funding for the Fiscal Year 2023 Budget will be discussed during the upcoming budget season.

## Cultural Arts Master Plan Ad Hoc Working Group

### Implementation Recommendations

#### Background:

In September of 2019, the Bastrop City Council accepted the Cultural Arts Master Plan as presented by Bastrop Art in Public Places board chair Ed Skarnulis. The Cultural Arts Master Plan Ad Hoc Working Group was created by Council in February of 2020 and assigned with the task of making recommendations to the City Council regarding the approach to implementation of the plan.

## CAMP Ad Hoc Working Group's activities:

The CAMP Working Group has met four times, roughly every two weeks, to discuss the Cultural Arts Master Plan, go through brainstorming exercises, and consider implementation next-steps. While the plan was made for Bastrop, it was understood that it would take 'custom fitting' the plan to our community. In these discussions, consensus was reached on the following and priorities: Diversity & Inclusivity; Partnerships and Collaboration; Political, Social, and Economic Stability of the Arts; Accountability and Transparency; Effective Management of the CAMP; Promotion of Bastrop as an Arts Destination/Arts & Culture Related Tourism.

It is the CAMP Working Group's intention that these major themes be the foundational values that inform all the decisions made in the implementation process.

#### THEMES, VALUES, & PRIORITIES:

- <u>Diversity & Inclusivity</u>: Founded on principle of diverse and inclusive community engagement.
  - Recruit people of all ages, ethnicities, and abilities to participate in the arts.
  - Weave local histories and neighborhood narratives into arts programming.
  - Actively involve all the arts.
  - Be culturally relevant and appropriate.
  - Take advantage of history and heritage.
- Partnerships and Collaboration: Foster and promote partnerships and collaboration.
  - Develop strategic, cross-sector relationships and partnerships.
  - Encourage buy-in from the community.
  - Connect with schools, all arts organizations, individual artists, businesses.
  - Build and maintain a network.

#### - Political, Social, and Economic Stability of the Arts:

- Unify local resources.
- Define and perhaps create income-driven events that bring current resources together.

- Structure in such a way that will be resilient despite changes to political office.
- Utilize City staff support.
- Define expectations for three transition phases: initial phase of creation, second phase of growth, and third phase of Cultural Arts Commission finding stability through grants and other funding sources.
- Find secure and sustainable funding.
- Elicit financial support.
- Create an agile environment, versus a bureaucratic structure.
- Explore "percent for art" funding which dedicated a % of capital improvement projects to funding arts and culture projects and programming.

### - Accountability and Transparency:

- Provide evidence of growth, success.
- Report to Council quarterly about progress and direction.
- Define metrics for measurement and charting success.

### -Effective Management of the CAMP:

- Create a Bastrop-centric process for implementation.
- Define the goals of the commission.
- Oversee the Cultural Arts Master Plan and use it as a blueprint.
- Define roles for all groups involved.
- Recruit volunteers.

### - Promotion of Bastrop as an Arts Destination: Arts & Culture Related Tourism

- Create marketing for art destination travelers.
- Build/Create bridges to Visit Bastrop and other boards, commissions, and organizations.
- Bring back Main Street Festivals.
- Sponsor annual art focused projects.

#### **RECOMMENDATIONS**

- 1. Create a Cultural Arts Commission
- 2. Adopt the Themes, Values, and Priorities as the foundational charge to the Cultural Arts Commission.
- 3. Create the commission's bylaws which include accountability measures that require an annual presentation by the Commission to City Council
- 4. Define a Bastrop Art in Public Places transition process that captures and documents the work of BAIPP while decommissioning BAIPP as a board and recommending that the Cultural Arts Commission establish an Art in Public Places committee.

<u>Cultural Arts Commission</u> – Shall consist of 7 members composed of representatives from Arts and Culture assets across the city, including, but not limited to, the Bastrop County Historical Society Museum and Visitor Center, the Bastrop Opera House, the Lost Pines Art Center, BISD, arts and culture business representatives, and others. This commission manages the Cultural Arts Master Plan and will have the continued implementation of the CAMP as its charge. The Commission will create committees as appropriate.

<u>Bylaws</u> – The development of a set of bylaws for the Cultural Arts Commission will ensure that the management of the Cultural Arts Master Plan is carried out in a way that is both accountable and sustainable.

### **BAIPP Transition**

The Cultural Arts Commission is a broader umbrella than BAIPP. The City's development of this broader structure to support the arts does not preclude the efforts or programming of BAIPP. The public art locations should continue to be filled through public calls and the council still needs an advisory body in the subject of public art to consider public art projects, mural approvals, art acquisitions, etc.

This amendment increases several General Fund revenue sources. Sales Tax revenue has been running approximately 13% over forecast. This amendment increase is conservative to specifically cover requested increases in this budget amendment. The city has received insurance proceeds to cover damages that were paid by the city. The offset increase to expense is reflected in this budget amendment. The increase to Inspection Fees is to cover the additional third-party inspection costs associated with the level of inspections we are experiencing.

This amendment is to recognize the PHI Air Medical membership agreement. This should have been included in the community support line item but after review, was not included in the original budget. This amendment is related to the Public Works Detention Pond project and is the city's required grant match of \$80,975 plus \$41,100 for additional construction inspection and material testing for adding the pump station. This amendment is offset by an increase in sales tax revenue reflected in budget amendment #1. The grant portion of this project was brought to council with the Ord. 2021-21. The below information is an update from Fabiola De Carvalho:

The City of Bastrop City Council authorized approval of a professional engineering services agreement between City and BEFCO Engineering on October 25<sup>th</sup>, 2018, for the Public Works Detention Pond (design and construction), which was completed in 2020.

This project was completed under budget. The City worked with the engineer to determine an appropriate addition to the project that would utilize the available grant funds. The City requested a budget adjustment from the Federal Emergency Management Agency (FEMA) for the possibility of using the remainder of the grant funds to design and construct a pump station (PS) at the detention pond. The Public Works (PW) Detention Pond PS consists of designing and constructing a permanent stormwater pump station to help discharge the PW detention pond in lieu of having to

set up a temporary pumping operation during or immediately after significant rainfall event. The PS will be located at the southwest corner of the detention pond and would discharge into the City's existing drainage system.

An approval was granted by FEMA for this amendment which included the obligation of additional funds in November of 2021.

This amendment is to utilize available fund balance in this fund to use toward eligible projects. The expense increases are to appropriate the necessary amounts for two projects. The first is the West Bastrop Village upsizing project that was approved by City Council on January 26, 2021 with Ord. 2021-10, originally estimated at \$1,225,358. The second is the Westside Collection System Phase II project that was originally projected for FY2023 but needs to be accelerated due to timing with other WWTP#3 projects.

This amendment is related to the Riverwood Waterline Replacement project that has been approved for grant funding. This amendment represents the city's required match. This amendment is reducing the funds ending fund balance by this amount but is still above the 35% required level.

| New Total Expenditures - Organizational    | \$ 2,056,792      |

Since the approval of the FY2022 budget, Hotel Occupancy Tax has reported positive variances to forecast every month. This amendment reflects an increase in projected revenue by 25% based on the information that is currently available. The revenue for November through January was very strong but did drop off some in February. This increase is a conservative projection. Since the Destination Marketing Organization (Visit Bastrop) funding is directly related to revenue projections, this amendment increases their funding line using the calculation provided in the contract (revenue-debt x 50%). The Lost Pines Art Center has requested that their approved funding be increased to the amount in their request proposal. A memo from that organization explaining their request is attached.

City of Bastrop 1311 Chestnut Street Bastrop, TX 78602

Dear Mayor Schroeder, Councilmembers and City Manager,

I am writing on behalf of the Lost Pines Art Center regarding the organization's HOT funds and the opportunity to restore LPAC to its full funding request for this fiscal year. When the City's 2021-22 HOT funding budget was approved by City Council the Art Center's request was reduced from \$89,500 to \$60,000. During that approval process Council requested that the Art Center improve its reporting and we were encouraged that, when that was complete, Council would consider providing the reduced funding amount.

At this time, we believe we have fulfilled the City's HOT fund reporting requirements and humbly request that City Council consider providing the additional \$39,500. These additional funds will help us expand our weekend services by allowing the center to be open every Saturday along with remaining open during evening and weekend activities promoted by the City. In addition, as COVID restrictions ease we are getting more requests for art classes and experiences. Additional funding will help us provide those for visitors and community members alike.

We look forward to our continued partnership with the city, the other community assets and cultural arts organizations creating a unique destination for visitors along with enhancing the quality of life for all who live here.

Sincerely,

Kaye Lapikas
