CITIZEN PARTICIPATION PLAN

THE CITY OF BASTROP

REGARDING THE USE OF GRANT FUNDS FROM THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

This Citizen Participation Plan was prepared in accordance with Section 104(a) of the Housing and Community Development Act of 1974, as amended. The 24 CFR 91.105 federal regulations outline the "citizen participation" requirements.

The plan is to be used to address citizen participation in the Community Development Block Grant (CDBG) Program. With receipt of HOME Investment Partnerships (HOME) Program funds, the program will be included under this Citizen Participation Plan.

The Citizen Participation Plan (CPP) sets forth policies and procedures for citizen participation in the development of project specific applications and substantial amendments to these projects with funding.

CERTIFICATION OF COMPLIANCE

The City of Bastrop is certifying to the U. S. Department of Housing and Urban Development (HUD) and State Agencies administering HUD programs that they have an approved Citizen Participation Plan, which:

- provides for and encourages citizen participation with emphasis on participation by persons who are residents of slum and blighted areas, by residents in low- and moderate-income neighborhoods, or targeted revitalization areas.
- provides for and encourages citizen participation of residents of public and assisted housing developments, as well as provides information to the public housing authorities within our jurisdiction activities related to these programs.
- provides for and encourages citizen participation of persons with disabilities as well as provides documents in a format accessible to persons with disabilities, upon request.
- provides for and encourages citizen participation of all citizens, including minorities and non-English speaking persons, and identifies how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can be reasonably expected to participate.
- provides citizens with reasonable and timely notification and access to local meetings, information, and records relating to the communities proposed and actual use of federal Community Development Block Grant funds.
- provides for public hearings and/or public postings to obtain citizen views; to respond to proposals and questions at all stages of the community development program, including at least the development of needs; and the review of proposed activities, and review of program annual performance. If hearings are held, they shall be after adequate notice, at times and locations convenient to potential or actual beneficiaries, and with accommodations for the disabled; and,
- provides for a timely written response to written complaints and grievances where applicable.

Note to Grant Recipients regarding Limited English Proficiency (LEP) requirements:

In accordance with federal law, if there is a significant number of the population who are non-English speaking residents and are affected by the CDBG project, such citizens should have 'meaningful access' to all aspects of the CDBG project. To provide 'meaningful access', Grant Recipients may need to provide interpreter services at public hearings or provide non-English written materials that are routinely provided in English. Examples of such vital documents may include Citizen Participation notices (e.g., complaint procedures, hearings notices), civil rights notices, and any other published notice that may allow an eligible person with limited English proficiency to participate in discussing proposed CDBG activities. For more information, see LEP.gov.
