STAFF REPORT

MEETING DATE: August 6, 2019

AGENDA ITEM: 2A

TITLE:

Hold public hearing and consider action to approve Resolution No. R-2019-65 of the City Council of the City of Bastrop, Texas granting a variance to Bastrop Code of Ordinances Article 4.02.005 Sale of Alcoholic Beverages, Separation Requirements from Church, Public or Private School, or Public Hospital, on property located at 928 Main Street, within the city limits of Bastrop, Texas, as shown in Exhibit A; providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVES:

Allison Land, Planner

BACKGROUND/HISTORY:

Permitted locations of alcohol sales are established by three location criteria: zoning district, frontage along specified sections of road, and proximity to churches, schools, and public hospitals. When a site is in a zoning district or along a road frontage that allows the use, but distance to a church, school, or hospital prohibits alcohol sales, the Texas Alcoholic Beverage Code gives City Council the authority to approve a variance to the distance requirement.

The site is zoned Form-Based Code – Historic Main Street character zone, which permits alcohol sales. It is located on Main Street near the intersection with Chestnut Street. The location meets the separation requirements from the nearest church and public school, but the private school measurement is less than the required three hundred (300)-foot separation. The intended use of this establishment is retail with alcohol sales, which is allowed in the Historic Main Street character zone.

Alcohol sales currently exist in the downtown area. Neighbor’s Kitchen and Yard, Anita’s, Paw Paw’s, Bastrop Beer Company, Old Town, Copper Shot, Ma’Coco, Pit Stop, and others have permits for the sale of alcohol.

PUBLIC COMMENTS:

Notifications were mailed to 37 surrounding property owners on July 22, 2019. At the time of this report, no responses have been received.

POLICY EXPLANATION:

Article 4.02.005 Separation Requirements from Church, Public or Private School, or Public Hospital

- (a) No person shall sell or engage in the business of selling any alcoholic beverage where the place of business of such person is located within three hundred (300) feet of any church, public or private school, or public hospital

The premise requesting the variance is Cripple Creek Wine and Gifts, located at 928 Main Street, which is within three hundred (300) feet of private school property (Calvary Episcopal School). The distance to a private school is measured in a direct line from property line to property line as defined in state law.

(b) This section does not apply to:

- (1) a holder of a license or permit who also holds a food and beverage certificate covering premises that are located within three hundred (300) feet of a private school, as the term "private school" is defined by the Texas Alcoholic Beverage Code;
- (2) any place of business that is legally selling alcoholic beverages at the same location for a continuous period of one year preceding the establishment, construction or purchase of property for the establishment or construction of a church, public or private school, or public hospital; or
- (3) businesses that were in operation at the time this section was originally enacted, until such a time as such businesses have a change in ownership.

A change in ownership at this location has occurred and a new permit holder will cover the premise. Therefore, this location does not qualify for any of the above and a variance is required.

Article 4.02.006 Variance to Separation Requirements

(a) The council may provide variances if, after notice and a public hearing, the council determines that enforcement of the regulation in a particular instance:

- (1) is not in the best interest of the public;
- (2) constitutes waste or inefficient use of land or other resources;
- (3) creates an undue hardship on an applicant;
- (4) does not serve its intended purpose;
- (5) is not effective or necessary; or
- (6) for any other reason the council, after consideration of the health, safety, and welfare of the public and the equities of the situation, determines is in the best interest of the community.

Cripple Creek Wine and Gifts is located near the corner of Main Street and Chestnut Street and is an existing retail business near the middle of downtown Bastrop.

STAFF REPORT

MEETING DATE: August 6, 2019

AGENDA ITEM: 2B

TITLE:

Consider action to approve Resolution No. R-2019-68 to place a proposal to adopt a tax rate for Fiscal Year 2019-2020 (FY2020) on the agenda of a future meeting as an action item; scheduling two public hearings on the proposal; and providing an effective date.

STAFF REPRESENTATIVE:

Lynda Humble, City Manager
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

Truth-in-taxation is a concept embodied in the Texas Constitution and the Tax Code that requires local taxing units to make taxpayers aware of tax rate proposals. When a proposed tax rate exceeds the rollback rate or the effective rate, whichever is lower, the taxing unit's governing body must vote to place a proposal to adopt the rate on the agenda of a future meeting as an action item. This vote must be recorded. The proposal must specify the desired rate. A taxing unit cannot vote to adopt a proposal to increase taxes by an unspecified amount. If the motion passes, the governing body must schedule two public hearing on the proposal.

There are four principles to truth-in-taxation:

- Property owners have a right to know about increases in their properties' appraised value and to be notified of the estimated taxes that could result from the new value.
- A taxing unit must publish its effective and rollback tax rates before adopting an actual tax rate.
- A taxing unit must publish special notices and hold two public hearings before adopting a tax rate that exceeds the lower of the rollback rate or the effective tax rate.
- If a taxing unit adopts a rate that exceeds the rollback rate, voters may petition for an election to limit the rate to the rollback rate.

The effective rate is a calculated rate that would provide the taxing unit with about the same amount of revenue it received in the prior year on properties taxed in both years. If property values rise, the effective tax rate will go down and vice versa. The rollback rate provides the taxing unit with about the same amount of tax revenue if spent the previous year for day to day operations, plus an extra eight (8) percent increase for those operations, in addition to sufficient funds to pay debt service in the coming year.

POLICY EXPLANATION:

City staff is considering a tax rate up to \$0.5640 including an operations and maintenance (O&M) tax rate of \$0.3691 and a debt service (I&S) tax rate of \$0.1949 per \$100 in taxable value.

The effective tax rate, which shows the relation between prior year's revenue and the current year's value, has been calculated by City staff and certified by the Bastrop Central Appraisal District to be \$0.5322. The rollback rate, which is the maximum rate that can be applied and not be subject to a rollback petition, has been calculated by staff and certified by the Bastrop Central Appraisal District to be \$0.5704. These rates will be published in the local newspaper, the City's website, and the government access cable channel as required by State law.

TAX RATE					
Fiscal Year	Proposed Property Tax Rate	Effective Tax Rate	Effective M&O Tax Rate	Rollback Tax Rate	Debt Rate
2019-2020	0.5640	0.5322	0.3477	0.5704	0.1949
2018-2019	0.5640	0.5534	0.3575	0.5809	0.1949

The tax rate being considered by City staff is \$0.5640, which is more than the effective tax rate. When a proposed tax rate exceeds the rollback rate or the effective rate, whichever is lower, the taxing unit's governing body must vote to place a proposal to adopt the rate on the agenda of a future meeting as an action item. If the motion passes, the governing body must schedule two public hearings on the proposal. City staff proposes that these public hearings be held on Tuesday, August 27, 2019 and Tuesday, September 10, 2019 at 6:30pm. These public hearings will be held in the City Council Chambers, located in City Hall at 1311 Chestnut St. Bastrop, TX 78602.
