HUNTERS CROSSING PUBLIC IMPROVEMENT DISTRICT FY 2023 ANNUAL SERVICE PLAN UPDATE

June 28, 2022

INTRODUCTION

Capitalized terms used in this Annual Service Plan Update shall have the meanings set forth in the Hunters Crossing Public Improvement District 2019 Amended and Restated Service and Assessment Plan, dated September 24, 2019 (the “2019 Amended and Restated SAP”).

On September 11, 2001, the City passed and approved Resolution No. R-2001-19 authorizing the establishment of the Bastrop Hunters Crossing Public Improvement District in accordance with the Act, which authorization was effective upon publication as required by the Act. On November 11, 2003, the City Council approved Resolution No. R-2003-34 amending the Original Creation Authorization by reducing the estimated costs of the Authorized Improvements from \$14,500,000 to \$12,476,000 and modifying the method of assessment.

On December 9, 2003 the City passed and approved Ordinance No. 2003-35, the initial levy of assessments on the approximately 283.001 acre parcel comprising the District, at \$11,961,260 for Capital Assessments and \$5,400,000 for the operation and maintenance of the District (Assessment levied is a grand total of \$17,361,260 in the aggregate). The purpose of the District is to finance certain public improvement projects that confer a special benefit on approximately 283.001 acres within the corporate limits of the City, located south of State Highway No. 71, west of State Highway No. 304, and east of Bear Hunter Drive.

Incorporated in the Original Assessment Ordinance was the 2003 SAP and Assessment Roll for the District and levied in lump sum the assessments shown on the 2003 Assessment Roll. On December 14, 2004, the City Council passed and approved Ordinance No. 2004-42 to correct omissions or mistakes discovered in the Assessment Roll consisting of scrivener's and mathematical errors as well as a failure to denote the effects of rounding in the conversion of square feet. Section 4 of Ordinance No. 2004-42 states: All ordinances, parts of ordinances or resolutions in conflict herewith are expressly repealed.

Under the 2003 SAP, assessments were levied in lump sum on a 283.001-acre parcel of property comprising the District. Under the 2019 Amended and Restated SAP, the assessments were allocated on a parcel-by-parcel basis to 27.434 acres of commercial property, 24.523 acres of multi-family property, 510 single family lots, and 37.937 acres of undeveloped land. Parcel 90301 was excluded from the Capital Assessment portion of the 2019 Amended and Restated SAP because that property's Capital Assessment was reduced to zero by a developer contribution payment. Parcel 98555 was also excluded from the 2019 Amended and Restated SAP because its use is limited to drainage, so its Assessment was reduced to zero as it is non-benefitted property. The 37.937 acres of undeveloped property is anticipated to be developed with multi-family uses.

In the Fall of 2017, property owner inquiries regarding the operation of the District resulted in the Hunters Crossing Local Government Corporation and the new City Council to engage professionals to examine the state of the District and engage with the Original Developer and subsequently the current Developer to reconcile the District operation. Contemporaneously, approximately 15 residents of the District initiated legal action against a host of civil defendants alleging liability for flood damage to their homes in the District. The legal action placed the City, Hunters Crossing Local Government Corporation, the Original Developer, among several others in litigation as Defendants.

Municipal records prior to the Fall of 2017 do not clearly demonstrate statutory compliance in the operation of the District. Legal counsel for the City, the Hunters Crossing Local Government Corporation and the Developer found several provisions of the existing 2003 SAP unworkable, necessitating the 2019 Amended and Restated SAP.

The Original Developer issued written notice of assignment of the District Development and Reimbursement Agreement to TF Hunters Crossing, LP., the current Developer in February 2018, placing additional complexities into the examination. After months of examination, evaluation, and development of materials to reconcile the District operation, the preparation of amended and restated documentation including the 2019 Amended and Restated SAP, were necessary to support the continued operation of the District to its conclusion.

On September 10, 2019, the City Council approved Ordinance No. 2019-40, and on September 24, 2019, City Council adopted Ordinance No. 2019-40, which approved and accepted the 2019 Amended and Restated SAP, including the updated Assessment Roll, which replaced the 2003 SAP in its entirety.

On October 29, 2019, three property owners within the District challenged Ordinance No. 2019, by filing claims in the U.S. District Court, Western District, Austin Division.

On August 25, 2020, the City Council approved Ordinance No. 2020-23 which updated the Assessment Roll for 2020.

On July 13, 2021, the City Council approved Ordinance No. 2021-08 which updated the Assessment Roll for 2021.

On September 29, 2021, U.S. District Judge Pitman entered judgment in favor of the city and the District, dismissing all claims.

On October 28, 2021, two of the three property owners who challenged the ordinance, appealed the judgment in favor of the city and the District to the U.S. Fifth Circuit Court of appeals. Oral argument in this matter is set to take place on July 6, 2022, as the appeal is still pending.

Pursuant to the PID Act, the 2019 Amended and Restated SAP must be reviewed and updated annually. This document is the Annual Service Plan Update for 2022. This Annual Service Plan Update also updates the Assessment Roll for 2022.

AUTHORIZED IMPROVEMENTS

The Authorized Improvements consist of water distribution system improvements, wastewater collection system improvements, storm drainage and detention improvements, public street improvements, and landscaping, open space, recreational, and park improvements. The Authorized Improvements are all complete.
